MAYOR'S REPORT

Mayor Davis reported on the inverse condemnation case that is pending. He reported that it is County Court. This is where we laid a water line that was not in the easement. This is along Malone Road. He stated that this has been going on for more than two years. Mayor Davis asked to use Rozier Hayes Law Firm to handle this case for the City. Alderman Huling made the motion to hire Rozier Hayes for the case as presented to this Board. Motion was seconded by Alderman Cady. Motion was put to vote and passed unanimously.

Next, Mayor Davis reported that Leslie Taylor filed a claim for a golf ball hitting his car. Alderman Brooks made the motion to deny the claim as presented. Motion was seconded by Alderman Guy. Motion was put to vote and passed unanimously.

Next, Mayor Davis reported on a budget revision. He reported that this revision came in late therefore not getting on the other budget revision they approved earlier. This is dealing with the 1% tourism fund. He reported that it appears that it will bring in more than originally projected. It will be \$300,000.00 or more. He stated that this will be spent on our parks improvements as we had promised. This will be money in, money out. Alderman Guy made the motion to approve the budget revision as presented. Motion was seconded by Alderman Huling. Alderman Hale asked if these funds would go toward our local parks first. Mayor Davis stated that it would. Mayor reported that Mike Mullins, Parks Director, is working on a Parks plan. Alderman Guy asked if it would come before the Parks Committee first, and Mayor Davis stated that it would. Motion was put to

vote and passed unanimously.

Next, Mayor Davis reported that the City has accepted sealed bids for Snowden Grove stage rigging grid renovations. He reported that we have some large shows coming to the amphitheater, and the shows are getting bigger. The shows require more space for the video boards behind the entertainer. This will make our stage big enough for any entertainer coming. This bid will move our grid up five feet. Mayor Davis stated that this will be paid out of the tourism funds that we have collected. The lowest and best bid came in from C & M Builders at \$92,450.00. Alderman Cady made the motion to accept C & M Builders as the lowest and best bid. Motion was seconded by Alderman Payne. Motion was put to vote and passed unanimously.

Next, Mayor Davis reported on the Autumwoods drainage project. He reported that at 5:10 today he received an email on the Autumwoods drainage project. He stated that in the bid process, when you put in a line item, you have a written word then you have a numerical number. On the line for clearing and grubbing, the written word was \$22.00 per acre but the numerical number was \$2,200.00 per acre. After evaluation of the contracts, it is obvious that this was an error in the written word of \$22.00 per acre. Everyone that bid that project was \$2,000.00 - \$3,000.00 per acre. Even with the correction, Civil Link is still the lowest bidder. Alderman Payne made the motion that this Board finds that there was an error in the written word, but not the numerical word of this bid and the Board accepts the correction. Motion was seconded by Alderman Guy. Alderman Guy asked if the proof of the error was presented to him and not just the email. Mayor Davis stated that he was taking Neel-Schaffer's word because that is what we pay them to do. After a discussion, Alderman Jobes made the motion that we amend the motion to include "contingent that this is reviewed and approved by the attorney". Motion for the amendment was seconded by Alderman Cady. Motion to accept the amendment was put to vote and passed unanimously. Motion was put to vote, with the amendment, and passed unanimously.

Alderman Hale reported that the DeSoto Central High School Marching Band will be performing at this year's Indianapolis 500.

CITIZEN'S AGENDA:

Mrs. Catherine Nathan and Mrs. Caroline Barnett with the M. R. Davis Public Library came before the Board to thank this Board for all the support they have given the library. They reported on some functions going on with the library and asked for their continued support.

Alderman Payne asked since we are paying for the land with cash, can the City replace the money with the Pennies for the Parks funds? Mayor Davis reported that we can.
