STATEMENT OF EQUAL OPPORTUNITY EMPLOYMENT

Equal employment opportunity for all individuals regardless of race, color, creed, sex, religion, national origin, age, mental or physical handicap, disability, veteran status, uniformed service status, political affiliation, or any other prohibited basis under applicable federal, state or local law is the policy of the Mayor and Board of Alderman. In order to assure non-discriminatory personnel administration, the Mayor and Board of Alderman promotes non-discriminatory practices and procedures in all phases of city personnel administration. The Mayor and Board of Alderman's equal opportunity policy, therefore, prohibits any form of unlawful discrimination based on the foregoing and other considerations made unlawful by federal, state or local laws.

It is the view of the Mayor and Board of Alderman that equal employment opportunity can only be attained through the City's commitment to comply with all applicable laws affording equal employment opportunities to individuals including, among others, persons with disabilities. Accordingly, it is imperative that City employees make all personnel decisions in accordance with Mayor and Board of Alderman policies, practices, and procedures. The selection process and criteria must assure fair and equitable treatment of all qualified applicants and employees, including qualified applicants and employees with disabilities who can perform the essential functions of the position.

The Americans With Disabilities Act of 1990 requires city departments to make reasonable accommodations for the known physical and mental limitations of otherwise qualified individuals with disabilities who are applicants or employees, provided such accommodations do not cause undue hardships to City operations. Qualified individuals with disabilities are persons with disabilities who meet the job-related requirements of an employment position and who can perform the essential functions of the position with or without reasonable accommodations. For an individual to be considered to have a disability that individual must have a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or be regarded as having such impairment.

STATEMENT OF USERRA NOTICE

The Uniformed Services Employment and Reemployment Rights Act (USERRA), prohibits discrimination against persons because of their service in the Armed Forces Reserve, the National Guard, or other uniformed services. USERRA prohibits an employer from denying any benefit of employment on the basis of an individual's membership, application for membership, performance of service, application for service, or obligation for service in the uniformed services. USERRA also protects the right of veterans, reservists, National Guard members, and certain other members of the uniformed services to reclaim their civilian employment after being absent due to military service or training. Ref: [38 U.S.C. § 4301](#), et. seq.

NOTICE OF COBRA CONTINUATION COVERAGE RIGHTS

You are receiving this notice because you have recently become covered under a group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage. For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs.

How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end

of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability extension of 18-month period of continuation coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and any dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at www.dol.gov/ebsa.

Keep Your Plan Informed of Address Changes

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

SECTION 1 EMPLOYMENT

A. INTRODUCTION TO EMPLOYMENT

This handbook applies to all City of Southaven employees. This handbook is prepared to inform you about the city's policies and to summarize the benefits that are available to the employee. Refer to this handbook whenever you have a question regarding your duties and job requirements. If you have a question that is not answered by this handbook, please consult your Department Head. For the purposes of this handbook, the term "governing authority/authorities" refers to the Southaven Mayor and Board of Alderman. This handbook may be altered and amended as necessary by the City Administrator/CAO and/or the governing authorities. Amendments and other alterations to this handbook will be delivered, either hard copy or electronically, to each employee, and their department, by the Department of Finance and Administration. It is the employees responsibility to maintain the most current version of this handbook and any and all amendments.

This handbook is not a contract, express or implied, and it does not alter your employment "at will" status. Nothing in this handbook should be construed as a guarantee of continued employment. Your employment may be terminated at any time, for any reason, with or without cause, with no advance prior notice. Likewise, you may terminate your employment at any time for any reason without prior notice.

B. ANNOUNCEMENT OF RECRUITMENT

The Mayor and Board of Alderman and/or City Departments (through the Chief Administrative Officer) announces city job opportunities, places those job classes on recruitment, and accepts applications for those open positions. Job announcements are made in response to indicated manpower needs and, in some instances, to build lists of eligible applicants for anticipated future needs. Job announcements are posted on city bulletin boards located throughout City of Southaven facilities and on the City web site, www.southaven.com. The City accepts applications for open/posted positions only. However, in some instances, the City may accept applications in order to build an applicant pool for potential future openings.

Job announcements may include the following:

- the job title
- the beginning salary
- the minimum education and experience requirements
- the department where the vacancy exists
- requirements for examination, if any
- the recruitment period and closing date, when applicable.

Current City of Southaven employees who have completed at least six (6) months of continuous employment with the City of Southaven may submit applications for any job classification at any time. Applications of individuals who are not City of Southaven employees, or who have not completed at least six (6) months of continuous employment with the City are accepted only for jobs that are posted as open for recruitment.

C. ELIGIBILITY DETERMINATION

An applicant's eligibility for a particular job class is evaluated by established standards to determine if he/she meets the minimum qualifications. If the applicant meets the minimum qualifications, the application is then rated based according to the related education, training, and experience listed on the applicant's application form, unless the job applied for requires either a written or a proficiency test. In that case, the application will be scored on the basis of the test score. Applicants will be notified of the date and site of the proficiency test or written examination, if one is required.

D. NEPOTISM

The employment of immediate family members can cause conflicts of interest, hurt feelings, and limit the diversity of our workforce. The City of Southaven believes in hiring and promoting people based on their knowledge, skills, abilities, and potential. As such, the City desires to limit the potential conflicts of interest that can occur when family members work together.

Definition of Immediate Family Members

For the purpose of this policy, an immediate family member is defined as spouse, partner, parents, step-parents, siblings, step-siblings, aunts and uncles, nieces and nephews, grandparents, grandchildren, or cousins. In-laws (or partner's family) are also considered family. Other non-family relationships may be considered on a case-by-case basis.

Nepotism Policy

No immediate family members shall:

- Work in the same department or share a manager.
- Have any reporting relationship between them.
- Oversee processes that will affect a family member. For instance, HR employees may not be a business partner, employee relations manager, or compensation supervisor over any department that the family member is in.
- Participate in any disciplinary, promotional or other employment decision that directly affects an immediate family member.

This policy shall be enforced when hiring, promoting, and/or transferring employees.

Any department that wishes to hire an immediate family member of an existing City employee located in a separate department must disclose and have prior authorization of the City Administrator/CAO before advancing the application for hiring.

When dealing with outside firms, either as vendors, clients, or service providers, these same guidelines shall apply. (See the City's Ethics Policy Section 3. Part T)

If a new relationship violates the nepotism policy, report the change or potential change to the City's Human Resources representative as soon as possible. Human Resources will work with you, your family member, and your manager(s) to find a solution that doesn't violate the nepotism policy. If you have any concerns about relationships within the business, please notify the Human Resources Department as soon as possible.

Amended June 16 2020

E. PROMOTIONS

A promotion is the movement of an employee from a position in one job class to a vacant position in a job class with more responsible duties and a higher salary range.

The City may consider filling vacancies by promoting qualified employees. The Department Head will post position openings on employee bulletin boards throughout the City of Southaven. An employee wishing to apply for a posted position should tell his/her immediate supervisor who may then arrange an appointment for the employee with the appropriate Department Head.

Promotions are made on a trial basis of six (6) months. A promoted employee will be entitled to all rights and benefits of the new position immediately upon assuming the position. After a promotion is made, however, there is no guarantee the employee will be able to return to the previous position if the promotion is unsuccessful.

F. PROBATIONARY PERIOD AND TERMINATION AT WILL

Every employee, upon original entry into a city status position, must successfully serve a 6-month probationary period before that employee is granted city employee status. During the probationary period, the employee's work and conduct are carefully observed. Through close supervision, the employer determines if the individual is progressing toward successful performance of the major duties of the job. During the 6-month probationary period the employee may be terminated with or without cause or notice by the governing authority. Likewise, upon completing the probationary period, an employee may be terminated with or without cause. Upon approval by the Governing Authorities, the 6-month probationary period may be extended up to a twelve (12) month period.

Amended July 21, 2009

Nothing in this handbook should be construed as a guarantee of continued employment. Your employment may be terminated at any time, for any reason, with or without cause, with no advance prior notice. Likewise, you may terminate your employment at any time for any reason without prior notice.

G. RESERVED

H. SENIORITY

Each employee will accrue seniority as of his/her official date of hire. However, seniority is recognized only for full-time employees who have completed their probationary period. Employees automatically lose their seniority upon termination of continuous employment with the city. When and if an employee is rehired, the most recent date of rehire will become the date of hire for the purpose of seniority. Continuous employment is defined as a period of employment that has not been interrupted by a voluntary or involuntary relief from employment other than a separation from which an employee is eligible for reinstatement.

Seniority may be used as follows:

1. to determine the number of vacation days due an employee
2. to determine vacation scheduling when all other factors are equal
3. to determine shift bids and/or when job assignments in departments having such a system when all other factors are equal and the Department Head determines that use of seniority does not compromise the function of the department or endanger the safety of any employee.

I. OUTSIDE EMPLOYMENT

All outside employment must have the prior written approval of the Mayor. No employee may engage in outside employment that may cause a conflict of interest, or use the city employment for the advancement of such outside employment. No city employee shall use his/her city employment for personal gain. Outside employment must not interfere with performance of regularly assigned city duties. No employee will be permitted to conduct any other work during the hours he/she is on duty with the City of Southaven.

Amended October 18, 2005, January 25, 2006

J. GRIEVANCE AND APPEAL RIGHTS

A city employee, not on their probationary period, may file a grievance or an appeal on any grievable issue.

A probationary city employee may grieve or appeal only alleged acts of discrimination based on race, color, creed, religion, national origin, sex, age, disability, veteran status, uniformed service status or political affiliation in any personnel action or employment practice.

Grievances and appeals are discussed in further detail in Section 4 of this Handbook.

K. RESERVED

L. PHYSICAL EXAMINATIONS

All city employees must submit to a physical examination that is job related and consistent with business necessity. The examination will be conducted at the city's expense and the results will be maintained in strict confidentiality as provided by law. As a condition of employment, the

city may require additional medical examinations at the expense of the city whenever, in the opinion of the city, such needs arise.

M. TARDINESS

If you are unavoidably delayed in getting to work, you should call the Department Head and tell them when you expect to arrive. All employees are expected to maintain punctual arrival times, however, there may be times when circumstances prohibit an employee from being on time. While allowances are made for such occasions when tardiness is beyond the control of the employee, habitual tardiness may result in further disciplinary action up to and including termination.

N. DISCIPLINE

The City of Southaven believes in progressive discipline, whereby the employee is given notice, either written or verbal, that their behavior is not consistent with policies and procedures. The City also believes in offering employee(s) the opportunity to correct their behavior. However, not all behavior may be deemed correctable and certain behavior may be deemed to severe for corrective measures, and as such, other disciplinary actions shall be deemed appropriate. Such actions may include termination of employment.

O. TRAVEL AND EXPENSES

Travel Approval

Employees traveling within the State of Mississippi shall provide department head authorization prior to being approved for official travel. Employees traveling out-of-state shall provide department head authorization as well as the Chief Administrative Officer (CAO) authorization prior to being approved for official travel. CAO is defined in accordance with Mississippi Code of 1972 Section 21-3-25 and with the City of Southaven Municipal Ordinances. For the purposes of this policy, out-of-state travel shall not include travel in and within the Memphis, TN metropolitan statistical area (MSA) as defined by the Bureau of the Census, U.S. Department of Commerce and includes the following counties: Shelby (TN), DeSoto (MS), Tunica (MS), Tate (MS), Marshall (MS), Benton (MS), Crittenden (AR), Fayette (TN), Tipton (TN).

Amended Sept 2, 2014

The City's elected officials wishing to travel for official business within the United States shall require individual authorization from the City Board of Alderman through an official Board action.

Allowable Expenses

If an officer or employee (part-time or full-time) is required to travel in the performance of an official duty (official travel), travel expenses incurred by the officer or employee related to the official travel may be paid or reimbursed by the City of Southaven ("City") in accordance with Mississippi Code of 1972 Sections 21-39-27, 25-3-41, 25-3-45 and any other section of Mississippi Code of 1972 that applies to official travel and/or reimbursement/payment thereof.

Travel expenses shall include, but not be limited to: mileage, taxi fares, rental car expense, public carrier fares (airplane, bus, train), conference/seminar registration fees, lodging expenses, meal expenses, telephone charges, baggage handling charges, hotel/airport parking fees.

In order for an officer or employee (part-time or full-time) of the City to be reimbursed for any official travel related expense, the required approval must be obtained as stated above. Detailed receipt(s) or similar support must be provided stating the purpose of the expense, excluding meals. The original invoice for which reimbursement is claimed must be attached. Invoices must be submitted for hotel, airfare and airport parking and other charges in excess of \$10.00. For hotels, reimbursement is made for only the single room rate.

Mileage if using a personal car shall also be reimbursed at the current federal approved mileage rate. Where two (2) or more officers or employees travel in one (1) privately-owned motor vehicle, only one (1) travel expense allowance at the authorized rate per mile shall be allowed for any one (1) trip. When the travel is done by means of a public carrier or other means not involving a privately-owned motor vehicle, then the officer or employee shall receive as travel expense the actual fare or other expenses incurred in such travel.

Travel Advances

Any officer or employee (part-time or full-time) of the City, who is required to travel in the performance of his official duties, may receive funds before the travel, in the discretion of the administrative head of the employee's department, board or commission involved, for the purpose of paying necessary expenses incurred during the travel within appropriated and approved municipal budget.

Upon return from the travel, the officer or employee shall provide receipts of lodging, meals, and other expenses incurred during the travel. Any portion of the funds advanced which is not expended during the travel shall be returned by the officer or employee.

Meal Reimbursement

The city shall reimburse the maximum daily meal amount as determined by State of Mississippi and the State Department of Finance and Administration for each day or half day of travel.

Officer and employees shall be reimbursed the actual cost of meals incident to official travel, not to exceed the daily maximum for the specific location of assignment. Meal tips should be included in the actual cost of the meal unless the inclusion of the tips causes the meals to exceed the maximum daily meal reimbursement (as noted below). If the daily meal limitations would be exceeded, then the tips can be separated and recorded as other expenses. All tips reported in this manner should be totaled for the day and not exceed 15% of the maximum daily meal reimbursement or the actual meal expense, whichever is less. Alcoholic beverages are not reimbursable. Reimbursement shall be made based on the following sliding scale not to exceed the following rates (As per the State of Mississippi Travel Rules & Regulations 10/18/2012):

Federal Register Maximum Per Diem Rate	Maximum State Reimbursement Rate
\$1-\$149	\$41.00
\$150-\$164	\$46.00
\$165-\$179	\$51.00
\$180- up	\$56.00

City Issued Credit Card Travel Expenses

The City may acquire one or more credit cards which may be used by members of the governing authority of the City and City employees to pay expenses incurred by them when traveling in or out of the state in the performance of their official duties. The municipal clerk shall maintain complete records of all credit card numbers and all receipts and other documents relating to the use of such credit cards.

The members of the governing authority and City employees shall furnish receipts for the use of such credit cards each month to the City clerk who shall submit a written report monthly to the governing authority. The report shall include an itemized list of all expenditures and use of the credit cards for the month, and such expenditures may be allowed for payment by the municipality in the same manner as other items on the claims docket.

The issuance of a credit card to a member of the governing authority or City employee under the provisions of this section does not authorize the member of the governing authority or City employee to use the credit card to make any expenditure that is not otherwise authorized by law. Any member of the governing authority or City employee who uses the credit card to make any expenditure that is not approved for payment by the governing authority shall be personally liable for the expenditure and shall reimburse the City. The employee shall be subject to all interest and fees and other charges related to the collection of expenditures not approved by the governing authority.

Any travel expenses paid for by a City issued credit card or a personal debit/credit card shall require a receipt prior to any payment and/or reimbursement. Failure to provide any receipt shall make the individual incurring the travel expense personally liable for the expense(s). In accordance with the Mississippi Code of 1972, Section 25-3-45, anyone who knowingly and willfully violates any provisions of the law, is guilty of a misdemeanor. The penalty for conviction is loss of job, a fine of not more than \$250.00, and civil liability for the full amount of the expenses illegally received, allowed, or approved. The person receiving the reimbursement is also liable whether the violation was willful or not.

Amended July 2, 2013

P. TIME CARDS

Time cards must be filled in each day you report to work, not at the end of the pay period. Each employee is responsible for the completion of his/her own time card. No one other than the employee may complete a time card for that particular employee without the prior approval of the appropriate department head. Each department head, or their designee, is responsible for submitting their department's time cards to the Department of Finance and Administration (payroll department) for processing.

Failure to complete a time card properly or failure to submit time card(s) in a timely manner for payroll processing may result in a loss of pay for that pay period or other disciplinary action.

Q. LONGEVITY

Longevity pay will be reviewed on an annual basis and determined by the Mayor and Board of Alderman; such pay may be modified annually or at the discretion of the Mayor and Board of Alderman may be eliminated. Longevity pay is computed by using the employee's time of service as of the annual anniversary day of their hire date. Only full time employees shall be eligible for longevity pay. Longevity pay currently is computed as follows:

R. BULLETIN BOARDS, E-MAIL, COMPUTERS AND VOICE MAIL

Any material or communications including but not limited to those on bulletin boards, e-mail, computers and voice mail are the property of the City and may be viewed, erased or otherwise used or destroyed by the City at any time. Employees are expected to use the City's bulletin boards, e-mail, computers, and voice mail in manners consistent with Section 1.0 Part S of this handbook. Any violation of this policy may result in disciplinary action, up to and including termination. Employees have no expectation of privacy in any materials or communications utilizing the City's bulletin boards, e-mail, computers or voice mail. Any such materials or communications may be monitored to ensure compliance with this policy or other policies of the City.

Amended Tuesday, October 16, 2007
Amended October 2010

S. INTERNET AND COMPUTER POLICY

The City expects and requires that its employees use City computers and Internet access through City computers in a reasonable fashion. To that end, the City strictly prohibits employees from accessing, storing, or communicating any inappropriate material on City computers or through the Internet. Usage of City computers and the Internet must be consistent with City policies. Any violation of this policy may result in disciplinary action, up to and including termination. Employees have no expectation of privacy in any materials or communications or content via the Internet. Inappropriate material includes, but is not limited to, any pornographic or other sexually explicit material, violent material, derogatory, racial or ethnic material, or any other material the possession of which in the workplace would be contrary to the policies prohibiting harassment in the workplace. Any such materials or communications may be accessed and monitored by the City to ensure compliance with this policy.

The City of Southaven recognizes the growing importance of online social media networks as a communication tool. This policy addresses employees' use of such networks including: personal websites, web logs (blogs), wikis, social networks, online forums, virtual worlds, and any other kind of social media. The City of Southaven respects the right of employees to use these mediums during their personal time. Use of these mediums during City time or on City equipment, however, is prohibited.

The City of Southaven takes no position on employees' decision to participate in the use of social media networks. In general, employees who participate in social media are free to publish personal information without censorship by the City of Southaven. Employees must avoid, however, posting information that could harm the City of Southaven using the guidelines set forth below.

All employees are responsible for maintaining the organization's positive reputation and under no circumstances should employees present the City to the public in a manner that diminishes its standing within the community. Instead, employees are responsible for presenting the organization in a manner that safeguards the positive reputation of themselves, as well as the organization's employees.

If an employee chooses to identify him or herself as a City of Southaven employee on any social media network, he or she must adhere to the following:

- Employees are required to state in clear terms that the views expressed on any social media network are the employee's alone and that they do not necessarily reflect the views of The City of Southaven.
- Employees are prohibited from disclosing information on any social media network that is confidential or proprietary to the City of Southaven or to a third party that has disclosed information to the organization. For example, information about or identifying the organization's customers, co-workers, incidents that occur at the City of Southaven.
- Employees are prohibited from displaying the City of Southaven logo on any social media network without permission from the City of Southaven. Also, they should not post images of co-workers without the written consent of their co-workers'. Finally, employees are prohibited from posting any nonpublic images of The City of Southaven premises and property.
- Employees are prohibited from making statements about the City of Southaven, their coworkers, our customers, agents, or partners that could be considered as harassing, threatening, libelous, or defamatory in any way.
- Employees are prohibited from acting as a spokesperson for the City of Southaven or posting comments as a representative of the organization.
- Employees are prohibited from sharing any communication that engages in personal or sexual harassment, unfounded accusations, or remarks that would contribute to a hostile work environment (racial, sexual, religious, etc.), as well as any behavior not in agreement with the general municipal policies.

Employees may be required to disclose annually to the City of Southaven whether or not they have a personal web site or blog.

Employees who participate in social media may still decide to include information about their work at the City of Southaven as part of their personal profile, as it would relate to a typical social conversation. This may include:

- Work information included in a personal profile, to include organization name, job title, and job duties.
- Status updates regarding an employee's own job promotion.
- Personal participation in the City of Southaven sponsored events, including volunteer activities.

An employee who is responsible for a social media posting that fails to comply with the guidelines set forth in this policy or that otherwise causes harm to the City of Southaven may be subject to discipline, up to and including termination. Employees will be held responsible for the disclosure, whether purposeful or inadvertent, of confidential or proprietary organization information, information that violates the privacy rights or other rights of a third party, or the content of anything posted on any social media.

Anything posted on an employee's Web site or blog or other Internet content for which the employee is responsible will be subject to all the City of Southaven policies, rules, regulations, and guidelines. The City of Southaven is free to view and monitor an employee's website or web log at any time without consent or previous approval.

Finally, employees should let the Information Technology (IT) Department know if they encounter incorrect information about the City of Southaven that might randomly appear online. Employees themselves should not attempt to correct any such information that appears online.

T. CELL PHONE POLICY

Employees whose work necessitates a cell phone and a cell phone plan purchased by the City should restrict use to City business only. If personal use is required, reimbursement to the City for personal calls shall be reimbursed at actual costs. Timely reimbursements should be made upon receipt of telephone statements.

Personal cell phone use for City business should be limited to only necessary and immediate City related business needs. It is the responsibility of the employee's department to monitor cell phone use and reimbursements for appropriateness. Departmental offices have the right to review, question, and limit reimbursement requests of employees' personal cell phone bills.

The employee should retain documentation supporting the request for reimbursement but does not need to attach such documentation to request under \$25 per month. Reimbursement requests for more than \$25 will require either a log that identifies individual calls by number of minutes, area code, and phone number or a copy of the cell phone bill which identifies the calls for which reimbursement is requested.

To keep processing and administering costs to a minimum, employees are encouraged to accumulate at least \$25 in business cell phone charges before submitting requests for reimbursement unless requests are combined with other reimbursement requests that exceed the \$25 minimum. Abuse of this policy may result in disciplinary actions. Employees shall not use their city issued or personal cell phone while operating a city vehicle. An employee in violation of this is subject to disciplinary actions up to and including termination.

U. EMPLOYEE DRESS CODE AND APPEARANCE

The City of Southaven expects all employees to present a clean and professional appearance when representing the city and to exercise appropriate judgment with regard to personal appearance, dress and grooming to be most effective in the performance of their workplace duties. The City recognizes that personal appearance is an important element of self-expression and strives not to control or dictate appropriate employee appearance, unless a) it conflicts with an employee's ability to perform his or her position effectively in his or her specific work environment or b) it is regarded as offensive or harassing toward co-workers, citizens, or others whom the employee comes into contact with during their workplace duties.

Monday through Thursday, the dress of the administrative offices of the City of Southaven should be business attire. In particular, employees are required to dress in a professional manner. This is accomplished by observing the following rules for business dress:

- a) No halter tops
- b) No revealing or provocative clothing
- c) No shorts, tee-shirts, short skirts or low-cut necklines
- d) No tight, clinging or see through items
- e) No clothing or accessories that would in any way be a distraction to either the public or other employees

On Fridays, the acceptable attire will be a City-issued shirt (or similar) and slacks. If an individual does not wish to dress casually and wear a City issued shirt (or similar) with business casual khakis or slacks, they should end the week with the type of dress clothing worn Monday through Thursday. Business dress is always acceptable.

While wearing the acceptable Friday City issued shirt with slacks, it is wise to keep a jacket in the office that can be worn over casual attire in order to be prepared for any unexpected situations that may require a more professional look (visits by dignitaries, impromptu press conferences, etc.).

All excessive forms of body-piercing (any piercing not confined to earlobes and/or multiple piercing in earlobes) are considered inappropriate for employees of the City of Southaven.

The following types of tattoos and body alterations are prohibited from being visible when they:

- a) Infer sexual, racial, religious, ethnic or related intolerances.
- b) Portray derogatory or offensive characterizations contrary to the values of the City.
- c) Depict or represent criminally or historically oppressive organizations.
- d) Depict any advertisement or endorsement; unless specifically exempted by the City.
- e) Appear on the hands, neck, head, ears, face, mouth, tongue or teeth; with the exception of a single ring tattoo around the base of one finger.

If management determines an employee's dress code and appearance presents a conflict to this policy, the employee will be encouraged to identify appropriate options, such as changing clothes, removal of excess or offensive jewelry, covering of tattoos or other reasonable means to resolve the conflict.

All legitimate requests to alter the dress code and appearance policy will be considered on a case-by-case basis or when an employee has a particular disability or religious belief that is contrary to this City policy.

This dress code and appearance policy is adopted in order to provide a guide for employees who wish to maintain the proper business attire and professional appearance while in the employment of the City of Southaven. Employees who are required to wear a City issued uniform (fire

fighters, police officers, etc.) shall wear the appropriate dress in accordance with the specific department.

An environment of cooperation, respect, and fair and consistent treatment for all employees is the City's goal. Nonetheless, the City is responsible for ensuring that no employees are subject to harassment or a hostile work environment.

In accordance with Mississippi Code Section 25-11-103(i), the Governing Authority of the City of Southaven may offer an employee leave buy-back program. When funding is available and accounted/budgeted for within the municipal budget, an employee may "cash-out" his or her unused vacation balance in an amount not to exceed 160 hours. The Governing Authority will establish the date such buy-back will take place and the maximum amount of time/leave to "buy back". Prior to any employee leave balance buy back, the funding shall be adopted by the Governing Authority.

Revised August 30, 2011, September 20, 2011

E. MAJOR MEDICAL LEAVE

Major medical (sick) leave may be used for illness of the employee, for illness of a member of his/her immediate family and for physician appointments when it is not possible to schedule them during non-working hours. For purposes of this section, "immediate family" shall be deemed to include: (1) spouse; (2) children, step-children; (3) parents, step-parents, foster parents and parents-in-law; (4) sibling; and (5) other members of the family who reside within the home of the employee. "Physician" means a doctor of medicine, osteopathy, dental medicine, podiatry or chiropractic. For each absence due to illness more than two (2) working

days/shift days, paid Major medical leave shall be authorized only when certified by the attending physician.

Major medical leave is provided for the reasons stated in this policy and may not be used for other purposes and may not be advanced. Abuse of sick leave by an employee will result in the withholding of payment of the sick leave and possible disciplinary action up to and including termination. A supervisor, or his designee, may perform a routine wellness check by going to the employees place of residence to check on their well-being.

You will begin to earn major medical leave on the day you begin work, but may not use it until you have completed six months of continuous employment. However, if you have less than six-months of service and have filed a Workman's Comp claim and are set to miss work due to an on the job injury sustained during your first six-months of employment, you may use the Major medical leave you have in order to compensate for any gaps in compensation by Workman's Comp.

Major medical leave will be based on an employees workweek, and overtime will not be used to add extra time to accumulate sick leave. Employees accrue Major medical leave at the following rate(s): all hourly and salaried employees (excluding employees on a 24-hour shift) earn major medical leave at a rate of four (4) hours per pay period of major medical leave. Major medical leave shall not be accrued for an hourly or salaried employee that does not work at least 76 hours in any given pay period. Employees on a twenty-four hour shift earn major medical leave at the rate of six (6) hours per pay period. Employees on a 24-hour shift shall not accrue major medical leave until that employee has worked at least 80 hours in a pay period. For the purposes of this section "hours worked" shall mean all hours worked This shall include personal leave, major medical leave, funeral leave and/or other leave for which the employee has prior departmental approval

F. FAMILY AND MEDICAL LEAVE ACT (FMLA)

General Provisions

The Family and Medical Leave Act (FMLA) was enacted into law on February 5, 1993 and took effect August 5, 1993. All departments of the City of Southaven are considered covered employers under the Act, and any and all future amendments/revisions to said Act.

The FMLA entitles eligible employees to take up to twelve (12) weeks of unpaid, job-protected leave in a 12-month period for specified family and medical reasons and makes it unlawful for any department to discharge or discriminate against any person for opposing any practice made unlawful by the Act or for involvement in any proceeding under or relating to the Act. Further, the governing authority shall not interfere with, restrain, or deny the exercise of, or the attempt to exercise any right provided under the Act.

The FMLA does not affect any other federal law that prohibits discrimination and does not supersede any local law that provides greater and more generous leave rights.

Notice to Employees

Each department shall post and keep posted, in conspicuous places where notices to employees and applicants are customarily posted, a notice summarizing the entitlement to family leave and providing information concerning the procedures for filing complaints of violations of the Act.

Definitions for Purposes of FMLA

Health Care Provider:

- A. A doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the jurisdiction in which the doctor practices; or
- B. Any other person determined by the Governing Authority to be capable of providing health care services, including only:
 - 1. Podiatrists, dentists, clinical psychologists, optometrists, and chiropractors (limited to treatment consisting of manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist) authorized to practice in the jurisdiction and performing within the scope of their practice as defined under applicable law;
 - 2. Nurse practitioners, nurse-midwives and clinical social workers who are authorized to practice under applicable law and who are performing within the scope of their practice as defined under applicable law;
 - 3. Christian Science practitioners listed with the First Church of Christ Scientist in Boston, Mass. Where an employee or family member is receiving treatment from a Christian Science practitioner, an employee may not object to any requirement from an employer that the employee or family member submit to examination (though not treatment) to obtain a second or third certification from a health care provider other than a Christian Science practitioner, except as otherwise provided under applicable law;
 - 4. Any health care provider from whom the City or the City's group health plan's benefit manager will accept certification of the existence of a serious health condition to substantiate a claim for benefits; and
 - 5. A health care provider listed above who practices in a country other than the United States, who is authorized to practice in accordance with the law of that country, and who is performing within the scope of his or her practice as defined under such law.

Authorized to practice under applicable law: Means that the provider must be authorized under state law to diagnose and treat physical or mental health conditions without supervision by a doctor or other health care provider.

Incapacity: Inability to work, attend school or perform other regular daily activities due to 1) a serious health condition, 2) treatment for a serious health condition, or 3) recovery from a serious health condition.

Parent: The biological parent of an employee or an individual who stands or stood in loco parentis to an employee when such employee was a son or daughter, as defined below. This term does not include parents-in-law.

Son or Daughter: A biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under 18 years of age or 18 years of age or older and incapable of self-care because of a mental or physical disability.

Incapable of Self-care: Means that the individual requires active assistance or supervision to provide daily self-care in three or more of the activities of daily living including grooming and hygiene, bathing, dressing and eating or instrumental activities of daily living including cooking, cleaning, shopping, taking public transportation, paying bills, maintaining a residence, using telephones and directories, using a post office, etc.

Physical or Mental Disability: A physical or mental impairment that substantially limits one or more of the major life activities of an individual.

In Loco Parentis: Persons having day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

Reduced Leave Schedule: A leave schedule that reduces an employee's usual number of working hours per workweek, or hours per workday. A reduced leave schedule is a change in the employee's schedule for a period of time, normally from full-time to part-time.

Serious Health Condition: An illness, injury, impairment, or physical or mental condition that involves:

A. Inpatient care (an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity, or any subsequent treatment in connection with such inpatient care; or

B. Continuing treatment by a health care provider to include any one or more of the following:

1. A period of incapacity of more than three consecutive calendar days and any other subsequent treatment or period of incapacity relating to the same condition that also involves:

a. Treatment two or more times by a health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider; OR

b. Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.

2. Any period of incapacity due to pregnancy, or for prenatal care.

3. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition.

4. A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of a health care provider, but need not be receiving active

treatment by a health care provider. Examples include Alzheimer's, a severe stroke, or the terminal stages of a disease.

5. Any period of absence to receive multiple treatments (including any period of recovery there from) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three (3) consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.) severe arthritis (physical therapy), kidney disease (dialysis).

Chronic Serious Health Condition: A condition which (a) requires periodic visits for treatment by a health care provider, or by a nurse or physician's assistant under direct supervision of a health care provider; (b) continues over an extended period of time (including recurring episodes of a single underlying condition); and (c) may cause episodic rather than a continuing period of incapacity (asthma, diabetes, epilepsy, etc.)

Equivalent Position: A position that is virtually identical to the employee's former position in terms of pay, benefits and working condition, including privileges, prerequisites and status. It must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, responsibility and authority.

Intermittent Leave: FMLA leave taken in separate blocks of time due to a single qualifying reason.

Unable to Work: Where the health care provider has found that the employee is either unable to work at all, or is unable to perform any one of the essential functions of the job.

Spouse: A husband or wife, as defined or recognized under state law for purposes of marriage.

Immediate Family Member: An employee's spouse, son or daughter or parent.

Eligibility: An eligible employee is one who has been employed by the City for at least a total of twelve (12) months, and has worked for at least 1,250 hours over the prior 12 months.

Entitlement: FMLA entitles eligible City employees to take up to twelve (12) weeks of unpaid, job-protected leave during any 12-month period for any one or more of the following family and medical reasons:

- A. for the birth of the employee's son or daughter, and to care for the newborn child;
- B. the placement with the employee of a son or daughter for adoption or foster care, and to care for the newly placed child;
- C. to care for an immediate family member with a serious health condition;

- D. because of the employee's own serious health condition that makes the employee unable to perform one or more of the essential functions of his or her job.

Entitlement to leave under (A) and (B) above shall expire at the end of the 12-month period beginning on the date of such birth or placement. The 12-month period under (C) and (D) above will begin on the date of the employee's first FMLA leave. Leave entitlement shall be determined on a rolling 12-month basis so that the amount of available leave remaining to be taken is measured based on leave previously taken during the 12 months preceding the first date of the current requested leave.

Spouses employed by the same employer are jointly entitled to a combined total of twelve (12) workweeks during any 12-month period of family leave for the birth or placement of a child for adoption or foster care, or the care of such a child after birth or placement, and to care for a sick parent (but not a parent "in-law") who has a serious health condition. However, if the leave is to care for a sick child or the serious health conditions of each other or for the employee's own serious illness, this limitation does not apply.

Substitution of Paid Leave

Generally, FMLA leave is unpaid. However, eligible employees may choose to substitute certain accrued paid leave for FMLA leave as follows:

- A. Medical leave up to 480 hours.
- B. Personal leave

If an employee does not choose to substitute accrued paid leave, the City may require them to do so.

A serious health condition may result from injury to the employee "on or off" the job. Either the employee or the department may choose to have the employee's FMLA 12-week leave entitlement run concurrently with a workers' compensation absence when the injury is one that meets the criteria for a serious health condition. Since the workers' compensation absence is not unpaid leave, the provision for substitution of the employee's accrued paid leave is not applicable.

However, if the health care provider treating the employee for the workers' compensation injury certifies that the employee is able to return to a "light duty job", but is unable to return to the same or equivalent job, the employee may decline the department's offer of a "light duty job". As a result, the employee may lose workers' compensation payments, but is entitled to remain on unpaid FMLA leave until the 12-week entitlement is exhausted. As of the date workers' compensation benefits cease, the substitution provision becomes applicable and either the employee may elect, or the department may require, the use of accrued paid leave.

However, if an employee is receiving workers compensation benefits they may elect to use a portion of their accrued leave to offset the difference between their regular pay and the compensation received from workers compensation.

Compensatory time off is not a form of accrued paid leave that a department may require the employee to substitute for unpaid FMLA leave. The employee may request to use his/her compensatory time for an FMLA reason; however, if the department allows the compensatory time to be used, it may not be counted against the employee's FMLA leave entitlement.

An employee who elects to use paid leave should make a written request of his/her intent to use accrued paid leave. The employee should explain the reasons for the request to substitute medical and/or personal leave and provide sufficient information for the department to determine that the leave qualifies under the Act and to designate the paid leave as substitution for all or some portion of the employee's FMLA leave entitlement.

Notice to Department

The Department may require that the employee provide written notice setting forth the reasons for the requested leave, the anticipated duration of the leave, and the anticipated start of the leave in accordance with the Department's established policy. Failure to follow established Department policy may result in disciplinary action, but will not permit the Department to disallow or delay an employee's taking of FMLA leave, if the employee gives timely verbal or other notice.

In any case in which the necessity for leave is foreseeable based on an expected birth or placement, the employee shall provide the Department with no less than thirty (30) days notice, before the date the leave is to begin, and of the employee's intention to take such leave, except that if the date of the birth or placement requires leave to begin in less than (thirty) 30 days, the employee shall provide such notice as is practicable

In any case in which the necessity for leave is foreseeable based on planned medical treatment, the employee:

1. shall make a reasonable effort to schedule the treatment so as not to unduly disrupt the operations of the Department, subject to the approval of the health care provider of the employee or the health care provider of the son, daughter, spouse, or parent of the employee, as appropriate; and
2. shall provide the Department with no less than thirty (30) days notice, before the date the leave is to begin, of the employee's intention to take leave, under FMLA, except if the treatment is to begin in less than thirty (30) days, the employee is to provide such notice as is practicable.

If the employee had actual notice of the FMLA leave requirements and he/she fails to give 30 days notice for foreseeable leave with no reasonable excuse for the delay, the Department may deny taking FMLA leave until at least 30 days after the date the employee provides notice to the Department Head of the need for FMLA leave.

A Department Head may require periodic reports from an employee on FMLA leave regarding the employee's status and intent to return to work. If the employee provides a statement of intent to return to work, even if the statement is qualified, entitlement to leave and maintenance of health benefits continue. However, if the employee gives an unequivocal notice of intent not to return to work, the Department's obligations to provide health benefits (except pursuant to COBRA requirements) and to restore the employee end.

Should the employee discover after beginning leave that the circumstances have changed and the amount of leave needed is shorter than originally anticipated, the employee may not be required to take more FMLA leave than necessary. If the employee desires to return to work earlier than anticipated, the Department Head may require the employee to provide notice of at least two (2) business days.

Designation of Leave as FMLA Leave and Notification to Employee

The Department Head is responsible for designating leave that is FMLA qualifying and for giving notice of the designation to the employee.

A. If the Department Head knows the reason for leave is an FMLA reason at the time leave begins, the leave must be designated by the Department Head in writing at that time. If the Department Head knows the leave is for an FMLA reason at the time leave begins and fails to designate, the leave may not be counted against the employee's FMLA entitlement and the employee continues to be subject to FMLA protection. Once the Department Head designates, the leave may be counted against the FMLA entitlement only from that time forward, and not retroactively.

B. When the Department Head learns that leave is for an FMLA purpose after leave has begun, but before the employee returns to work, the entire or some part of the leave period may be retroactively counted as FMLA leave.

C. Leave may be designated as FMLA after the employee has returned to work in only two (2) circumstances:

1. The Department Head knew the reason for the leave, but was not able to confirm that the leave qualified as FMLA leave; or the Department Head requested and was awaiting medical certification; or the parties were in the process of obtaining a second or third medical opinion; and the Department Head accordingly made a preliminary FMLA leave designation and so notified the employee at the beginning of the leave or as soon as the reason was known. Upon receipt of the requisite information from the employee or of the medical certificate confirming the FMLA reason, the Department Head shall make the preliminary designation final, unless the medical certifications fail to confirm an FMLA reason, in which case the Department Head shall withdraw the designation and give written notice to the employee; or

2. The Department Head did not know the reason for the leave, but learns upon the employee's return to work. The designation must be made by the Department Head

within two (2) business days of the employee's return to work and appropriate notice then given to the employee. If the Department Head was not aware of the FMLA reason, but the employee wants the absence to be treated as FMLA leave, the employee must notify the Department Head within two (2) business days of his/her return to work. If such notification is not made, the employee may not subsequently assert FMLA protection.

If an employee takes paid or unpaid leave and the Department Head does not designate the leave as FMLA leave, it may not be counted against the employee's FMLA entitlement.

The Department Head must provide written notice detailing the specific expectations and obligations of the employee and explaining any consequence of failure to meet these obligations. Such specific notice must be provided to the employee no less often than the first time in each six-month period that an employee gives notice of the need for FMLA leave (if FMLA leave is taken during the six-month period), within a reasonable time after notice of the need for leave is given, and must include, as appropriate:

- A. That the leave will be counted against the employee's annual FMLA leave entitlement;
- B. Any requirements for the employee to furnish medical certification of a serious health condition and the consequences of failing to do so;
- C. The employee's right to substitute paid leave and whether the Department Head will require the substitution of paid leave, and the conditions related to any substitution;
- D. Any requirement for the employee to make any premium payments to maintain health benefits, the arrangements for making such payments, and the possible consequences of failure to make such payments on a timely basis;
- E. Any requirement for the employee to present a fitness-for-duty certificate to be restored to employment;
- F. The employee's status as a "key employee", the potential consequence that restoration may be denied following FMLA leave, and the conditions required for such denial;
- G. The employee's right to restoration to the same or an equivalent job upon return from leave; and
- H. The employee's potential liability for payment of health insurance premiums paid by the Employer during the employee's unpaid FMLA leave if the employee fails to return to work after taking FMLA leave.

Intermittent Leave or Leave on a Reduced Leave Schedule

FMLA leave may be taken intermittently or on a reduced leave schedule under certain circumstances. When leave is taken after the birth or placement of a child for adoption or foster care, an employee may take leave intermittently or on a reduced leave schedule only if the

Department Head approves. The Department Head's approval is not required, however, for leave during which the mother has a serious health condition in connection with the birth of her child or if the newborn child has a serious health condition.

Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition. It may also be taken to provide care or psychological comfort to an immediate family member with a serious health condition.

Only the time actually taken as FMLA leave may be charged against the employee's leave entitlement when leave is taken intermittently or on a reduced schedule. For part-time employees and those who work variable hours, the FMLA leave entitlement is calculated on a pro-rated basis by comparing the new schedule with the employee's normal schedule (i.e., if an employee who normally works 30 hours per week works only 20 hours a week under a reduced leave schedule the employee's 10 hours of leave would constitute 1/3 of a week of FMLA Leave for each week the employee works the reduced schedule).

Medical Certification

The Department Head may require that an employee's leave to care for his/her seriously-ill immediate family member, or due to the employee's own serious health condition that makes the employee unable to perform one or more of the essential functions of his/her position, be supported by a certification issued by the health care provider of the employee or the employee's ill family member.

When the leave is foreseeable and at least thirty (30) days notice has been provided, the employee should provide the medical certification before the leave begins. When this is not possible, the employee must provide the requested verification to the Department Head within the time frame requested (which must allow at least fifteen (15) calendar days after the Department Head's request) unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts.

The Department of Labor has developed an optional form (Form WH-380, as revised) for employees' or their family members' use in obtaining medical certification from health care providers that meet FMLA's certification requirements. This form or another form containing the same basic information may be used by the Department; however, no additional information may be required. The form contains required entries for:

- A. A certification as to which part of the definition of serious health condition, if any, applies to the patient's condition and the medical facts which support the certification, including a brief statement as to how the medical facts meet the criteria or definition.
- B. The approximate date the serious health condition commenced, and its probable duration, including the probable duration of the patient's present incapacity, if different.

C. Whether it will be necessary for the employee to take leave intermittently or to work on a reduced leave schedule basis as a result of the serious health condition and if so, the probable duration of such schedule.

D. If the condition is pregnancy or a chronic condition, whether the employee is presently incapacitated, and the likely duration and frequency of episodes of incapacity.

E. If additional treatments will be required for the condition, an estimate of the probable number of such treatments.

F. If the patient's incapacity will be intermittent, or will require a reduced leave schedule, an estimate of the probable number and interval between such treatments, actual or estimated dates of treatment if known, and the period required for recovery, if any.

G. If medical leave is required for the employee's absence from work because of the employee's own condition, whether the employee:

1. is unable to perform work of any kind;
2. is unable to perform any one or more of the essential functions of the employee's position, including a statement of the essential functions that the employee is unable to perform based on either information provided on a statement from the Department of the essential functions of the position, or if not provided, discussion with the employee about the employee's job functions; or
3. must be absent from work for treatment.

H. If leave is required to care for a family member of the employee with a serious health condition, whether the patient requires assistance for basic medical or personal needs or safety or for transportation; or if not, whether the employee's presence to provide psychological comfort would be beneficial to the patient or assist in the patient's recovery. The employee is required to indicate on the form the care he or she will provide and an estimate of the time period. If the employee's family member will need care only intermittently or on a reduced leave schedule basis (i.e. part-time), the employee must also indicate the probable duration of the need.

If an employee submits a complete certification signed by the health care provider, the Department Head may not request additional information from the employee's health care provider other than for purposes of clarification and authentication.

If the Department Head has reason to doubt the validity of the certification, it may require, at City's expense, that the employee obtain the opinion of a second health care provider designated or approved by the City. Any such health care provider designated or approved shall not be employed on a regular basis by the City.

If the second opinion differs from the original certification, the City may require, at its own expense, that the employee obtain the opinion of a third health care provider designated or

approved jointly by the City and the employee concerning the information previously certified. The opinion of the third health care provider concerning the information previously certified shall be considered to be final and shall be binding on the City and the employee.

The City may require, at the employee's expense, that the employee obtain subsequent recertification on a reasonable basis, depending on the employee's condition. No second or third opinion on recertification may be required.

Restoration

A. Employees, with the exception of certain highly paid "key employees," are entitled to be restored to their positions after returning to work:

1. The employee will be entitled to be restored by the City to the position held by the employee when the leave commenced, OR the employee will be entitled to be restored to an equivalent position with equivalent benefits, pay status, and other terms and conditions of employment.
2. The employee will not lose any employment benefit accrued prior to the date on which leave commenced,
3. The employee will not accrue any employment benefits other than group health benefits which would have been provided to the employee had the employee been continuously employed during the entire leave period, as discussed below, during any period of unpaid leave, and
4. the employee will not be entitled to any right, benefit, or position of employment other than any right, benefit, or position to which the employee would have been entitled to had the employee not taken the leave.

The employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period. The City must be able to show that the employee would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.

B. An employee who qualifies as a "key employee" may be denied restoration to employment. A key employee is one who is salaried and is "among the highest paid 10 percent" of the employees. The Governing Authorities may deny restoration to a "key" employee only as necessary to prevent substantive and grievous economic injury to Department operations. The Department may refuse to reinstate certain highly paid "key" employees after using FMLA leave during which health benefits are maintained. However, in order to do so, the Department must:

1. Notify the employee of his/her status as a "key" employee in response to the employee's notice of intent to take FMLA leave;
2. Notify the employee as soon as the Governing Authorities decides it will deny job restoration and explain the reasons for this decision;

3. Offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and,

4. Make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

An Department that will not deny restoration is not required to determine which employees are "key" employees or to notify them of that status when leave is requested.

Maintenance of Benefits

At the end of an employee's FMLA leave, benefits must be resumed in the same manner and at the same levels as provided when the leave began, and subject to any changes in benefit levels that may have taken place during the period of FMLA leave affecting the entire Department, unless otherwise elected by the employee. Upon return from FMLA leave, an employee cannot be required to re-qualify for any benefits the employee enjoyed before FMLA leave began.

Health Insurance

The city maintains group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken, and on the same terms as if the employee had continued work.

For purposes of FMLA, the term Group Health Plan does not include an insurance program providing health coverage under which employees purchase individual policies directly from insurers provided that: (1) no contributions are made by the Department; (2) participation in the program is completely voluntary for employees; (3) the sole functions of the Department with respect to the program are, without endorsing the program to permit the insurer to publicize the program to employees, to collect premiums through payroll deductions and to remit them to the insurer; (4) the Department receives no consideration in the form of cash or otherwise in connection with the program, other than reasonable compensation, excluding any profit for administrative services actually rendered in connection with payroll deduction; and (5) the premium charged with respect to such coverage does not increase in the event the employment relationship terminates.

A Department may recover premiums it paid for maintaining group health plan coverage during any period of unpaid FMLA leave if the employee fails to return to work after the employee's FMLA leave entitlement has expired, unless the reason the employee does not return to work is due to:

A. The continuation, recurrence, or onset of a serious health condition that would entitle the employee to FMLA leave (either affecting the employee or an immediate family member), or

B. Other circumstances beyond the control of the employee.

If an employee fails to return to work at the end of the leave period because of a serious health condition, the Department Head may request that the employee furnish a medical certification from the health care provider of the employee, or the employee's family member to support the employee's claim. If the employee fails to furnish the requested certification within thirty (30) days of the Department Head's request, or the reason for not returning to work does not meet the test of other circumstances beyond the employee's control, the City may recover the health insurance premiums it paid during the period of unpaid leave.

The Department Head and the employee are encouraged to work out arrangements that accommodate both administrative convenience for the Department and the financial situation of the employee who would not be receiving a paycheck during the leave period. There is a 30-day grace period after the agreed upon date for payment within which the employee may make payment of the premium without affecting health benefit coverage. If the employee does not make the payment within the 30-day grace period, the City may cease to maintain health coverage on the date the grace period ends, or the City may continue health coverage by making both the City's and employee's premium payments.

In order to drop the coverage for an employee whose premium payment is late, the City must provide written notice to the employee that the payment has not been received. Such notice must be mailed to the employee at least fifteen (15) days before coverage is to cease, advising that coverage will be dropped on a specified date at least fifteen (15) days after the date of the letter unless the payment has been received by that date.

If an employee fails to pay his or her share of health benefit premiums and the City elects to continue health coverage for the employee (in order to be able to restore the employee on return to work) by paying the employee's share, and the employee fails to return to work at the end of the FMLA leave period in circumstances where recovery is allowed, the City may recover all of the health benefit premiums it paid for the employee's share during the period of unpaid FMLA leave. An employee who does not return to work for at least thirty (30) calendar days is considered to have failed to "return" to work for this purpose, unless the employee retires during the first thirty (30) days after the FMLA leave ends. If the City chooses to continue coverage in this manner, the City is entitled to recover the additional payments made on behalf of the employee while on leave after the employee returns to work.

Seniority, Medical and Personal Leave

Employees shall continue to accrue seniority during unpaid FMLA leave. Benefits accrued at the time leave began, (e.g., paid medical or personal leave to the extent not substituted for FMLA leave) must be available to an employee upon return from leave.

Life Insurance

If an employee desires to continue life insurance, disability insurance, or other types of benefits for which he or she typically pays during unpaid FMLA leave, the City is required to follow established policies or practices for continuing such benefits for other instances of leave without

pay. If the City has no established policy, the employee and the City are encouraged to agree upon arrangements before FMLA leave begins.

Retirement

With respect to pension and other retirement plans, any period of FMLA leave will be treated as continued service (i.e., no break in service) for purposes of vesting and eligibility to participate.

Return to Duty from Family Leave

As a condition to return to duty, the employee may be required to provide certification from the employee's health care provider that the employee is able to resume work. A Department requiring any fitness for duty certifications must have a uniformly applied policy that is based on the nature of the illness or duration of the absence. The Department may seek fitness-for duty certification only with regard to the particular health condition that caused the employee's need for FMLA leave. Department requirements must be job-related and consistent with business necessity.

W. Employee Assistance Program (EAP)

The City of Southaven offers an Employee Assistance Program (EAP) benefit for employees and their dependents through Concern EAP. The EAP provides confidential assessment, referral and solution-focused counseling for employees who need or request it. If an EAP referral to a treatment provider outside the EAP is necessary, costs may be covered by the employee's medical insurance; but the cost of such outside services are the employees' responsibilities.

Confidentiality is assured. No information regarding the nature of the personal problem will be made available to supervisors, nor will it be included in the employee's permanent personnel file.

The EAP can be accessed by an employee through self-referral or through referral by a supervisor. When the EAP referral is mandatory, this step is part of the progressive disciplinary procedure. If management and HR agree, the employee may be referred to the EAP as a remedial step to assist the employee with appropriate workplace behavior and productivity. This formal management referral (FMR) requires a written agreement between the employee and HR/management to assure that the employee understands his/her responsibilities to make and keep the EAP appointment and to follow through with any recommendations by the EAP counselor. He/she also needs to be advised that failure to do so will result in automatic termination. The FMR process is also a limited release of information when signed by the employee. This gives the counselor and the City representative the right and ability to share information about the employee's workplace behavior and for the counselor to share with the City whether the employee made and kept the appointment and whether they are willing to follow through on any treatment recommendations.

See Drug-Free Workplace Policy for additional information.

Amended June 21, 2011

X. Telecommuting Policy

Objective

Telecommuting allows employees to work at home, on the road or in a satellite location for all or part of their workweek. The City of Southaven ("City") considers telecommuting to be a viable, flexible work option when both the employee and the essential job functions are suited to such an arrangement. Telecommuting may be appropriate for some employees and jobs but not for others. Telecommuting is not an entitlement; it is not a citywide option or benefit, and it in no way changes the terms and conditions of employment with the City as defined in the City's Employee Policies and Procedures handbook or under applicable Mississippi law.

Every employee shall be available to attend regular and/or special City Board Meetings and participate in other required office activities at the designated location as needed and/or required. Except for extraordinary circumstances, City will attempt to provide reasonable notice for any such meeting when possible.

Procedures

Telecommuting can be informal, such as working from home for a short-term project or on the road during business travel, or a formal, set schedule of working away from the office as described below. Either an employee or a supervisor can suggest telecommuting as a possible work arrangement.

Any telecommuting arrangement made will be on a trial basis for a specified amount of time and may be discontinued at will and at any time at the request of either the telecommuter or the City. Every effort will be made to provide 30 days' notice of such change to accommodate commuting, child care and other issues that may arise from the termination of a telecommuting arrangement. There may be instances, however, when no notice is possible.

Eligibility

Individuals requesting formal telecommuting arrangements must be employed with the City of Southaven for a minimum of 12 months of continuous, regular employment and must have a satisfactory performance record. However, accommodations may be made for telecommuting, at the sole discretion of the City, during times of local, state or national emergency.

Before entering into any telecommuting agreement, the employee and department head, with the assistance of the CAO, will evaluate the suitability and eligibility for telecommuting, reviewing the following areas:

- Employee suitability. The employee and department head will assess the needs and work habits of the employee, compared to traits customarily recognized as appropriate for successful telecommuters.
- Job responsibilities. The employee and department head will discuss the job responsibilities and determine if the job is appropriate for a telecommuting arrangement.
- Equipment needs, workspace design considerations and scheduling issues. The employee and department head will review the physical workspace needs and the appropriate location for the telework.
- Tax and other legal implications. The employee must determine any tax or legal implications under IRS, state and local government laws, and/or restrictions of working out of a home-based office. Responsibility for fulfilling all obligations in this area rests solely with the employee.

Equipment

On a case-by-case basis, the City will determine, with information supplied by the employee and the supervisor, the appropriate equipment needs (including hardware, software, modems, phone and data lines and other office equipment) for each telecommuting arrangement. The human resource and information system departments will serve as resources in this matter. Equipment supplied by the organization will be maintained by the organization and shall not be used by the employee for personal gain. Equipment supplied by the employee, if deemed appropriate by the organization, will be maintained by the employee.

The City accepts no responsibility for damage or repairs to employee-owned equipment. The City reserves the right to make determinations as to appropriate equipment, subject to change at any time. Equipment supplied by the organization is to be used for business purposes only. The telecommuter must sign an inventory of all City property received and agree to take appropriate

action to protect the items from damage or theft. Upon termination of employment, all company property will be returned to the City.

The City may provide the employee with appropriate office supplies (pens, paper, etc.) as deemed necessary.

The employee will establish an appropriate work environment within his or her home for work purposes. The City will not be responsible for costs associated with the setup of the employee's home office, including, but not limited to: remodeling, furniture or lighting, nor for repairs or modifications to the home office space.

Security

Consistent with the organization's expectations of information security for employees working at the office, telecommuting employees will be expected to ensure the protection of proprietary company and customer information accessible from their home office. Steps include the use of locked file cabinets and desks, regular password maintenance, and any other measures appropriate for the job and the environment.

Safety

Employees are expected to maintain their home workspace in a safe manner, free from safety hazards.

Telecommuting is not designed to be a replacement for appropriate child care. Although an individual employee's schedule may be modified to accommodate child care needs, the focus of the arrangement must remain on job performance and meeting business demands. Prospective telecommuters are encouraged to discuss expectations of telecommuting with family members prior to entering a trial period.

Time Worked

Telecommuting employees who are not exempt from the overtime requirements of the Fair Labor Standards Act will be required to accurately record all hours worked using the City's time-keeping system. Hours worked in excess of those scheduled per day and per workweek require the advance approval of the telecommuter's supervisor. Failure to comply with this requirement may result in the immediate termination of the telecommuting privilege.

Ad Hoc Arrangements

Temporary telecommuting arrangements may be approved for circumstances such as inclement weather, special projects or business travel. These arrangements are approved on an as-needed basis only, with no expectation of ongoing continuance.

Other informal, short-term arrangements may be made for employees on family or medical leave to the extent practical for the employee and the organization and with the consent of the employee's health care provider, if appropriate.

All informal telecommuting arrangements are made on a case-by-case basis, focusing first on the business and operational needs of the City.

Amended October 1, 2019, June 2 2020

Y. Compensatory Time Leave

It is the intent and policy of the City of Southaven to comply with the Fair Labor Standards Act (FLSA), as it applies to local governments, in its overtime and compensatory time provisions for city employees. In the event that the city's personnel policy should differ from the FLSA, the FLSA controls and supersedes City policy.

A. Definitions:

1. **Exempt Employees** - Exempt employees are exempt from the Federal Wage and Hour overtime provisions of FLSA. With few exceptions, employees are exempt if paid a guaranteed minimum amount of money that the employee can count on receiving for any workweek in which he/she performs any work. That amount currently must be at least \$23,600 per year, on a salary basis and the employee must perform exempt job duties. Employees employed in a bona fide executive, administrative, or professional role are exempt job duties. All of the essential conditions prescribed by FLSA regulations must be met before an employee may be considered exempt.
2. **Non-exempt Employees** - Non-exempt employees fall under the overtime Federal Wage and Hour provisions.
3. **Public Safety Activities** - Those activities covered as fire protection and law enforcement activities.
4. **Fire Protection Activities** - An employee, including a firefighter, paramedic, emergency medical technician, rescue worker, ambulance personnel, or hazardous materials worker, who is trained in fire suppression, has the legal authority and responsibility to engage in fire suppression, and is employed by the fire department; and is engaged in the prevention, control, and extinguishment of fires or response to emergency situations where life, property, or the environment is at risk. Not included in the term are the so-called "civilian employees" of the (fire department or employees who engage in such support activities as those performed by dispatchers, alarm operators, apparatus and equipment repair and maintenance workers, camp cooks, clerks, stenographers, etc.
5. **Law Enforcement Activities** - Any employee who is a uniformed or plain clothed member of a body of officers and subordinates who are empowered by State statute or local ordinance to enforce laws designed to maintain public peace and order and to protect both life and property from accidental or willful injury, and to prevent and detect crimes, who has the power to arrest, and who is presently undergoing or has undergone or will undergo on-the-job training and/or a course of instruction and study which typically includes physical training, self-defense, firearm proficiency, criminal and civil law principles, investigative and law enforcement techniques, community relations, medical

aid and ethics. Not included are the so-called “civilian employees” of law enforcement agencies who engage in such support activities as those performed by dispatcher, radio operators, apparatus and equipment maintenance and repair workers, janitors, clerks and stenographers.

B. Policy Specifics:

FLSA overtime requirements do not apply until a non-exempt, non-public safety employee works 40 hours in a week. Only time worked is counted and time not worked, for whatever reason, is not counted. Non-exempt employees are eligible to receive overtime pay after working 40 hours in a one-week period. Non-exempt public safety employees are eligible to receive overtime based upon their hours worked in their FLSA scheduled work period, which may exceed 80 hours.

It shall be the city's policy to accrue compensatory time (comp time) in lieu of payment for overtime hours worked by non-exempt employees to assist employee productivity and effectiveness without extra cost to the city. All existing employees and new hires will be informed and give written notice of the policy. Comp time is defined as time off granted to non-exempt employee to offset hours worked by the employee over and above those required in the normal course of employment. Exempt employees are not eligible to accrue comp time.

C. Overtime

All overtime work must receive the employee's supervisor's prior authorization. Overtime assignments will be distributed as equitably as practical to all employees qualified to perform the required work. Non-exempt employees will be compensated overtime pay in accordance with federal and state wage and hour restrictions at a rate of 1.5 times their regular rate. For non-exempt salaried employees, the salary must be broken down into hourly rate for computation of overtime. Overtime pay is based on actual hours worked in an employee's regular work period. Time off for sick leave, vacation leave, meals, comp time taken, or any leave of absence will not be considered hours worked for purposes of performing overtime calculations.

D. Compensatory Time

Compensatory leave shall be authorized at 1.5 hours of leave per overtime hour worked for non-exempt employees. An employee may be granted the use of earned compensatory leave upon request at such time as designated by his/her supervisor which will least obstruct normal operations of the department. A supervisor may refuse to authorize use of compensatory leave if the absence of the employee would result in undue disruption of normal operations of the department. Compensatory leave accumulated by an employee as of the effective date of this rule shall be retained by the employee until used in accordance with the provision of these regulations.

E. Guidelines

The following are the guidelines for the use of compensatory time (comp time):

1. Non-exempt employees may receive comp time in lieu of overtime pay for hours worked in excess of the maximum set for their work period.
2. Except in cases of emergency, the department head must approve any hours beyond an

employee's normally scheduled hours. Department heads are expected to organize their projects and tasks appropriately to minimize comp time accruals for pre-approved projects or seasonal demands that are substantial in nature.

3. Comp time is not intended for ongoing daily work. Time reports of the employee showing overtime hours accrued as comp time must be signed by both the employee and the department head as an agreement between the two that the employee will be taking comp time in lieu of overtime pay.
4. A non-exempt employee may accrue a maximum of 120 hours of comp time at any given time (160 hours for employees engaged in public safety or emergency response). Any hourly employees who accrue time over the maximum will not be logged as comp time and will be paid to the employees as overtime.
5. An employee must be permitted to use compensatory time on the date requested unless doing so would "unduly disrupt" the operations of the agency.
6. Comp time accrued shall be utilized (redeemed) at a time mutually agreeable to the employee and Department Head and within the 12-month period in which comp time was earned/logged.
7. If an employee with accrued comp time is promoted to an exempt position, all accrued comp time will be paid out prior to the effective date of the promotion.
8. Employees engaged in public safety or emergency response, who transfer to positions subject to the 160-hour limit, may carry over to the new position any accrued compensatory time. The City will not be required to cash out the accrued compensatory time which is in excess of the lower limit. However, the employee will be compensated in cash wages for any subsequent overtime hours worked until the number of accrued hours of compensatory time falls below the 160-hour limit.
9. All comp time earned by an employee must be used before the employee uses any accrued annual leave unless this will result in accrued vacation being forfeited.
10. If an employee takes a medical leave of absence, accrued comp time shall be added to other appropriate leave time for additional time off and utilized prior to the utilization of any other accrued leave time.
11. Upon employee separation, an employee shall be paid for accrued unused comp time which will count towards the stated maximum amount of hours eligible to be paid out (160 hours for non-exempt employees and 240 hours for non-exempt fire protection employees)

The official time and attendance records maintained by the city's personnel office will be the controlling records for any compensatory time purpose.

The city may pay an employee in cash, in whole or part, for accumulated compensatory time, at any time.

Amended July 16, 2019

SECTION 3 EMPLOYEE CONDUCT

For the purposes of Section 3 Employee Conduct, “Working Day” shall mean any day the City Clerk’s office is open for and conducting business or as otherwise defined by a Department Head/Governing Authority.

The following guidelines should be followed by all city employees:

A. ATTENDANCE

All employees shall report to and leave work at the time designated by the City/Governing Authority.

B. DILIGENCE DURING WORK PERIOD

All employees shall apply themselves to their assigned duties during the full schedule for which compensation is being received.

C. WORK PERFORMANCE

All employees shall meet established performance standards. Any conditions or circumstances in the work environment that prevents an employee from performing effectively are to be reported to the supervisor.

Many departments maintain more specific rules for employees. The employee's supervisor or the Department Head may provide additional information.

D. DEMOTION

A city employee may be demoted because of inadequate performance, disciplinary reasons, a reduction in force, or voluntarily. Written notice of intent to effect any demotion and the reason for such action shall be given to the employee. All actions adversely affecting compensation or employment status require that the employee be given an opportunity for a hearing with the Mayor and Board of Alderman. Such hearing must be requested by the employee within three (3) working days after such demotion. The request must be in writing, and in accordance with Section 4 of this Handbook. The decision by the Board of Alderman is final.

E. RESIGNATION

An employee who desires to terminate service with the City should submit a written resignation to the governing authority.

A resignation should provide a two-week notice at the time of the notice of intent to resign. If a two-week notice is not given, absent some extraordinary justification, the employee may not be

eligible for rehire. All city property shall be turned over to the appropriate official prior to an employee receiving final paycheck upon termination of employment with the City.

F. OPEN DOOR POLICY

The City is concerned about the wellbeing and morale of its employees and encourages all employees to voice any questions or concerns. Employees should use the proper chain of command in addressing all questions or concerns. Employees should first bring an issue or concern to the attention of their immediate supervisor. If you have addressed a matter with your supervisor and it has not been handled to your satisfaction, please bring the issue to the attention of the Department Head or the City Administrator/CAO.

G. SEXUAL HARASSMENT

The City has a strict policy against sexual harassment. Each department shall provide a work place free from sexual harassment. Sexual harassment will not be tolerated, regardless of whether the harasser is an employee, visitor, customer, etc.

Sexual harassment may consist of requests for sexual favors, unwelcome sexual advances, threats, actual bodily contact, or other deliberate verbal or physical conduct of a sexual nature, when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of employment; or
2. Submission to or rejection of such conduct is used as the basis for making employment decisions; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating a hostile, intimidating, or offensive work environment.

Sexual harassment is prohibited between all employees and is prohibited by both supervisors and employees. In all cases, the governing authority shall take appropriate corrective action. This rule applies equally to sexual harassment of men and women.

Any employee, supervisor, manager or other person who believes that he or she has been subjected to sexual harassment at work by anyone should report such harassment immediately to his or her supervisor, the Department director, the City Administrator/CAO, or the Mayor. Any employee, supervisor, manager or other person, including any department employee, probationary department employee, non-department employee in, or applicant for employment in a Department that employs department employees, may file a grievance in accordance with the Special Grievance Procedure for Sexual and Workplace Harassment contained in this handbook.

The City will handle sexual harassment complaints with as much confidentiality as possible. There will be no retaliation against anyone who reports a claim or incident of sexual harassment

in good faith or against any employee who provides information as a witness to sexual harassment. The City will conduct an immediate investigation to attempt to determine all of the facts concerning the alleged harassment. To assist the investigation, any harassment complaint should be reported immediately and should be put in writing and specifically state the details of the offending behavior.

If the City determines that sexual harassment has occurred, corrective action will be taken. Depending upon the circumstances, such action may include a reprimand, discharge, or other appropriate action. The City will also monitor any incidents in which sexual harassment has occurred to ensure the harassing behavior has stopped.

If it is determined that no sexual harassment has occurred or that there is not sufficient evidence to conclude that sexual harassment has occurred, this determination will be communicated to the person who made the complaint.

All persons on City property, at work for the City, or on City business must avoid engaging in any action or conduct that might be viewed as sexual harassment. Approval of, participation in, or supporting conduct constituting sexual harassment will be considered a violation of this policy. The City's goal is to prevent and eliminate sexual harassment completely. Each employee, supervisor, manager or other person employed in any capacity by the City is responsible for helping the City accomplish this goal.

H. WORKPLACE HARASSMENT

The City has a strict policy prohibiting harassment against any individual on the basis of race, color, religion, gender, national origin, immigrant or non-immigrant status, age, disability, veteran status or uniformed service status. Each governing authority shall provide a work place free from any such workplace harassment. Workplace harassment will not be tolerated, regardless of whether the harasser is an employee, visitor, customer, etc.

Harassment is verbal or physical conduct that insults or shows hostility or aversion toward an individual because of his or her race, color, religion, gender, national origin, immigrant or non-immigrant status, age, disability, veteran status or uniformed service and that:

1. contributes to or has the effect of creating an intimidating, hostile, or offensive working environment; or
2. unreasonably interferes with an individual's work performance; or
3. otherwise adversely affects an individual's employment opportunities.

Harassing conduct includes, but is not limited to, the following:

1. The use of disparaging or abusive words or phrases, slurs, negative stereotyping, or threatening, intimidating, or hostile acts that relate to race, color,

religion, gender, national origin, immigrant or non-immigrant status, age, disability, veteran status or uniformed service status.

2. Written or graphic material that insults, stereotypes, or shows aversion or hostility toward an individual or group because of race, color, religion, gender, national origin, immigrant or non-immigrant status, age, disability, veteran status or uniformed service status and that is placed on walls, bulletin boards, e-mail, voice mail, or elsewhere on the City's premises, or is circulated in the workplace.

Any employee, supervisor, manager or other person who believes that he or she has been subjected to harassment at work as outlined above should report such harassment immediately to his or her supervisor, the Department Head, the City Administrator/CAO, or the Mayor. Any employee, supervisor, manager or other person, including any department employee, probationary department employee, non-department employee in, or applicant for employment in a Department that employs department employees, may file a grievance in accordance with the Special Grievance Procedure for Sexual and Workplace Harassment contained in this handbook.

The City will handle harassment complaints with as much confidentiality as possible. There will be no retaliation against anyone who reports a claim or incident of workplace harassment in good faith or against any employee who provides information as a witness to workplace harassment. The City will conduct an immediate investigation to attempt to determine all of the facts concerning the alleged harassment. To assist the investigation, any harassment complaint should be reported immediately and should be put in writing and specifically state the details of the offending behavior.

If the City determines that workplace harassment has occurred, corrective action will be taken. Depending upon the circumstances, such action may include a reprimand, discharge, or other appropriate action. The City will also monitor any incidents in which workplace harassment has occurred to ensure the harassing behavior has stopped.

If it is determined that no workplace harassment has occurred or that there is not sufficient evidence to conclude that workplace harassment has occurred, this determination will be communicated to the person who made the complaint.

All persons on City property, at work for the City, or on City business must avoid engaging in any action or conduct that might be viewed as workplace harassment. Approval of, participation in, or supporting conduct constituting workplace harassment will be considered a violation of this policy. The City's goal is to prevent and eliminate workplace harassment completely. Each employee, supervisor, manager or other person employed in any capacity by the City is responsible for helping the City accomplish this goal.

I. CONFLICTS OF INTEREST

City employees should be especially careful to avoid using, or appearing to use, an official position for personal gain, giving unjustified preferences, or losing sight of the need for efficient

and impartial decision making in the City of Southaven's method of operation. No act should be committed which could result in questioning the integrity of City government.

Employees are not to engage in any activity in either a private or official capacity where a conflict of interest may exist. An employee's first loyalty should be to the public's interest. Associations, dealings or interests that could affect an employee's objectivity in performing the employee's job or in making the decisions required of the employee's position should be avoided. However, employees are encouraged to participate in professional and civic organizations if such participation does not adversely affect the employee's role as a public employee.

J. POLITICAL ACTIVITY

It is the policy of the Mayor and Board of Alderman that personnel administration be conducted in an atmosphere free from political influence or coercion.

Political Contributions and Services

No city employee shall be obliged, by reason of his or her employment, to contribute to a political fund or to render political service, and he or she may not be removed or otherwise prejudiced for refusal to do so.

Use of Official Authority or Influence to Coerce Political Action

No city employee shall use his or her official authority or influence to coerce the political action of a person or body.

Fair Treatment of Applicants and Employees

The city shall assure fair treatment of applicants and employees in all aspects of personnel administration without regard to political affiliation.

Freedom from Political Coercion

The city shall assure that employees are free from coercion for partisan or political purposes.

Informing Employees of Political Activities Laws

The city shall inform all employees which political activities are permitted or prohibited by law.

Violation of Provisions

Any employee who violates any of the provisions of this section may be subject to appropriate disciplinary action.

Any applicant or employee who believes he or she has been discriminated against on the basis of political affiliation or unlawful political activity affecting department employment may grieve and appeal in accordance with Section 4 of this handbook.

Political Activity Prohibited

The federal "Hatch Act," 5 U.S.C. § 1501 and following, covers individuals employed by department or local agencies whose principal employment is in connection with an activity which is financed in whole or in part by loans or grants made by the United States or a federal Department, but does not include (a) an individual who exercises no function in connection with that activity; or (b) an individual employed by an educational or research institution, establishment, Department, or system which is supported in whole or in part by the State, the City or another political subdivision of the State, or by a recognized religious, philanthropic, or cultural organization.

K. DRUG-FREE WORK PLACE

The Drug-Free Workplace Act of 1988, found at Title 5, Subtitle D, Anti-Drug Abuse Act of 1988, Public Law No. 100-690 (DFWA), requires grantees of federal agencies to certify that they will provide a drug-free workplace. Making the required certification is a precondition of receiving a federal grant beginning March 18, 1989.

Amended May 1, 2018

The certification statement which grantees are required to make under the DFWA includes several provisions which grantees must comply with in order to provide a drug-free workplace, including

A. publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition; and

B. establishing a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the grantee's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

The DFWA also provides that sanctions may be imposed against grantees for non-compliance with the law. In order to comply with the DFWA, departments that are federal grantees should refer to the federal regulations governing this law. A copy of the regulations may be found in the Federal Register, Vol. 54, No. 19, Tuesday, January 31, 1989.

Law governing drug and alcohol testing of employees and job applicants is set forth at Section 71-7-1, et. seq., Mississippi Code of 1972, as amended. This statute provides procedures and guidelines for governing authorities that wish to formulate a drug and alcohol testing policy.

Except as provided by federal law, departments are not required to administer drug or alcohol tests. This statute must be complied with if such tests are given. However, the statute does not apply to agencies subject to any federal law or regulations that govern the administering of drug and alcohol tests. Departments are also required to be cognizant of the proscriptions of the Americans With Disabilities Act regarding pre-employment medical tests.

The City's drug and alcohol policy is contained in Part O of this Section.

L. REDUCTION IN FORCE

Except as otherwise provided in these rules, the tenure of an employee with permanent department status shall be continued during good behavior and the satisfactory performance of assigned duties. However, an employee's employment may be terminated without regard to behavior or performance by a reduction in force. No provision of this Employee Handbook shall be read or construed to limit the City's discretion in implementing a reduction in force and in terminating an employee's employment as part of a reduction in force.

1. Reduction in force - a governing authority may reduce the number of employees in a department whenever deemed necessary for the following reasons:

- a. shortage of funds or work,
- b. material change in duties or organization, or
- c. a merger of agencies.
- d. as ordered by the Mayor and Board of Aldermen

M. PROHIBITION AGAINST VIOLENCE IN THE WORKPLACE

It is the policy of the City to provide all employees with a safe, violence-free workplace. Therefore, the City prohibits all forms of workplace violence, and it prohibits all conduct that could lead to workplace violence. This applies to violence by any individual, including employees, customers, vendors, and visitors. The following conduct is strictly prohibited under this policy:

1. Physical Assaults. Any physical assault such as hitting, pushing, kicking, holding, or other unwelcome touching.
2. Threatening behavior. Any threats, including direct verbal threats, veiled threats, menacing gestures, harassing phone calls and stalking.
3. Possession of Weapons. Any possession of weapons (other than weapons authorized for use in law enforcement or security activities for the City), including firearms, knives, chains, dangerous chemicals, explosives, or other objects carried for the purpose of injuring or intimidating others.

Any employee who violates this policy shall be subject to discipline up to, and including, termination.

Employees are encouraged to report violations of this policy to a manager, or call 9-1-1 for outside assistance. Employees are encouraged to err on the side of safety when determining whether to report anything that may constitute a violation of this policy. Retaliation against individuals who report violations of this policy is strictly prohibited.

N. SEARCHES OF CITY PROPERTY

Employees have no expectation of privacy in any City property, including, but not limited to, City lockers and desks. Any such City property may be monitored to ensure compliance with this and other City policies, if the City has a reasonable belief some prohibited item is being kept in such City property, or if something is being kept in such City property to aid in the violation of the law or any policy of the City. Further, City property may be searched if the City has a reasonable belief that something is being maintained in City property that would adversely affect the health or safety of City employees, customers, or visitors, or adversely affect the job performance of City employees.

O. DRUG AND ALCOHOL FREE WORKPLACE POLICY

General Statement of the City's Policy on Drug and Alcohol Use

It is the policy of the City to provide a safe work environment and to foster the well being and health of its members. Compliance with the City's Drug and Alcohol Free Workplace Policy is a condition of employment. An applicant for employment may be required to submit to a drug and alcohol test as a condition of the job applicant's employment application. An employee may be required to submit to a drug and alcohol test as a condition of employment when the City has a reasonable suspicion that an employee is in violation of the City's Drug and Alcohol Free Workplace Policy or as part of neutral selection drug and alcohol testing of employees engaged in public health, law enforcement and/or safety sensitive positions with one or more of the following duties or responsibilities:

Procedures for Confidentially Reporting Prescription or Nonprescription Medication

An employee or job applicant shall be allowed to provide notice to the City of currently or recently used prescription or nonprescription drugs at the time of the taking of the specimen to be tested, and such information shall be placed in writing upon the City's drug and alcohol testing custody and control form prior to initial testing.

When Drug and Alcohol Testing May Occur

Drug and alcohol testing may occur under the following circumstances:

1. Job applicants may be required to submit to a drug and alcohol test as a condition of employment. Job applicants will not be required to submit to an alcohol test prior to a conditional offer of employment.
2. All employees may be required to submit to reasonable suspicion drug and alcohol testing. Reasonable suspicion means a belief that an employee is using or has used drugs in violation of the City's Drug and Alcohol Free Workplace Policy when such

belief is drawn from specific objective and articulable facts and reasonable inferences drawn from those facts in light of experience. Reasonable suspicion may be based on, but is not limited to, the following: (1) observable phenomena such as direct observation of drug use and/or the physical symptoms or manifestations of being under the influence of a drug or alcohol; (2) abnormal conduct or erratic behavior while at work, absenteeism, tardiness, or deterioration in work performance; (3) a report of drug or alcohol use provided by reliable and credible sources and which has been independently corroborated; (4) evidence that an individual has tampered with a drug or alcohol test during his employment with the City; (5) information that an employee has caused or contributed to an accident while at work; or (6) evidence that an employee is involved in the use, possession, sale, solicitation or transfer of drugs while working or while on the City's premises or operating the City's vehicle, machinery or equipment.

3. Only employees engaged in law enforcement activities, in safety sensitive positions or in positions involving the public safety with duties as set out above in the General Statement of the City's Policy on Drug and Alcohol Use may be required to submit to neutral selection drug and alcohol testing.
4. An employee may be required to submit to a drug and alcohol test if the test is conducted as part of a routinely scheduled employee fitness for duty medical examination that is part of the City's established policy and/or which is scheduled routinely for all members of the same classification or group.
5. An employee may be required to submit to neutral selection or routine drug and alcohol tests if the employee in the course of his/her employment enters a drug abuse rehabilitation program, and as a follow-up to such rehabilitation program, or if previous drug and alcohol testing of the employee within a twelve-month period resulted in a positive confirmed test result.
6. An employee, who is participating in drug abuse rehabilitation, may be required to submit to drug and alcohol testing conducted by the rehabilitation provider as deemed appropriate by the provider.

Consequences of Refusing to Submit to a Drug and Alcohol Test

The City may refuse to hire any job applicant who refuses to submit to a drug and alcohol test. The City may discipline any employee for refusing to submit to a drug and alcohol test authorized under the City's Drug and Alcohol Free Workplace Policy, and such discipline may include discharge.

Opportunities for Assessment and Rehabilitation

If an employee has a positive confirmed test result and the City determines that neither discipline nor discharge is necessary or appropriate, the employee will be afforded an opportunity for assessment and rehabilitation. Information on counselors, treatment providers or other methods

of assessment, assistance or rehabilitation is available from the City's benefits coordinator and the City Administrator's office. The City has also posted a summary of the resource file, including the identification and contact information for multiple employee assistance providers in the area.

The City may test for marijuana, cocaine, opiates, amphetamines, phencyclidine, and alcohol.

No Applicable Contracts

There are no applicable contracts or collective bargaining agreements which apply to limit this policy.

The provisions of the City's Drug and Alcohol Free Workplace Policy do not apply to employees subject to drug and alcohol testing procedures pursuant to any federal law or regulations.

Federal Drug-Free Workplace Notice

The City provides a drug-free workplace under the provisions of the Federal Drug-Free Workplace Act.

The City also has established a drug-free awareness program to inform employees about the dangers of abuse in the workplace, the City's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs, and the penalties which may be imposed upon employees for drug abuse violations.

Further, the City has made it a requirement that each employee as a condition of employment will be given a copy of the City's Drug and Alcohol Free Workplace Policy, setting out the items identified above as required by the Federal Drug-Free Workplace Act.

The City has further notified each employee that as a condition of employment the employee must:

- (a) abide by the terms of the City's Drug and Alcohol Free Workplace Policy and the Federal Drug Free Workplace Act, including those requirements set out above; and

- (b) notify the City of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) calendar days after such conviction.

The laboratory must also warrant that its certification or license has not been revoked by the Substance Abuse and Mental Health Services Administration or the College of American Pathologists Forensic Urine Drug Testing and that there has been no suspension or revocation of a license or certification by an agency of another state, as such suspension or revocation also operates as a suspension or revocation of certification by the Mississippi State Department of Health. 1. The City will contract with manufacturers, vendors, or other providers of drug and alcohol testing devices, or with a certified laboratory, for initial, on-site drug and alcohol testing of employees to:

- a. Train and certify City employees implementing the drug and alcohol testing program with regard to collection of specimens and administration of initial tests; or
- b. Provide the City with certified personnel to collect specimens and administer the initial tests.

2. The City may designate employees for training and certification by the Mississippi State Department of Health to qualify them to collect specimens and conduct on-site drug and alcohol tests.

3. The following individuals may collect specimens for a drug and alcohol test:

- a. A physician, a registered nurse or a licensed practical nurse;
- b. A qualified person employed by a certified laboratory; or
- c. An employee or an independent contractor of the City who has been trained and certified as indicated above.

4. Collection of specimens will be done in a sanitary environment and under reasonable conditions to preserve the dignity of the employee or job applicant being tested.

5. Specimens will be collected in a manner to prevent specimen substitution and interference with the collection or testing of the specimens.

6. If the City performs on-site drug and alcohol tests or specimen collection, the City will establish chain-of-custody procedures to ensure proper record keeping, handling, labeling and identification of all specimens to be tested.

7. If the City performs specimen collection, the City will document the specimen collection, including the following steps:

a. Label the specimen container clearly to prevent erroneous identification of test results; and

b. Allow the employee or job applicant an opportunity to provide information which he or she considers relevant to the test, including identification of currently or recently used prescription or nonprescription drugs or other relevant medical information. This information will be taken into account when interpreting any positive confirmed results but will not prevent the test from being given.

8. Specimen collection, storage, and transportation to the testing site will be conducted to prevent contamination or adulteration.

9. If the City performs specimen collection, the person who collects or takes a specimen will collect enough for two (2) drug and alcohol tests.

10. When the City requires current employees to submit to a drug and alcohol test, the testing will occur during or immediately after the regular work period of the employees, and the time utilized will be considered work time for purposes of determining compensation and benefits for the current employees.

11. Specimen testing for drugs will conform to scientifically accepted analytical methods and procedures as outlined below.

12. Even if the City conducts on-site initial drug and alcohol tests, the City will contract with a certified laboratory to conduct confirmation tests on specimens which produce a positive result in the initial on-site test.

13. The City will pay for the costs of all drug and alcohol tests and accompanying results which the City requests or requires an employee or job applicant to take.

VI. Initial Tests

1. Unless the Mississippi State Department of Health subsequently provides otherwise, the initial test for drugs shall use an immunoassay that meets the requirement of the United States Food and Drug Administration for commercial distribution. The following cut-off levels will be used for screening specimens to determine whether they are negative for the five (5) identified drugs or classes of drugs:

Drugs	Initial Test Cut-Off Levels (NG/ML)
Marijuana metabolites	50
Cocaine metabolites	300
Opiate metabolites	300*
Phencyclidine	25
Amphetamine	1000

* 25 NG/ML if aminoassay specific for free morphine

2. These cut-off levels for the initial drug test are subject to change by the Mississippi State Department of Health as advances in technology or other considerations warrant.

Initial Test - Alcohol

3. Any detectible level of alcohol found the breath or saliva specimen of an individual shall be deemed a positive result.

VII. Confirmation Test

1. Any initial drug or alcohol test yielding a positive result may be followed by an appropriate confirmation test. If the initial drug and alcohol test is negative, there will be no confirmation drug or alcohol test performed.

2. While the City may choose to utilize appropriately trained or certified personnel to conduct the initial drug and/or alcohol test on-site, the confirmation test will be performed by a certified laboratory; and the laboratory will perform confirmation tests only on specimens which produced a positive result in the initial test for drugs and/or alcohol.

3. All confirmation tests must use an alternative method of equal or greater sensitivity than that used on the initial drug and alcohol test. All specimens identified as positive on the initial test shall be confirmed using gas chromatography/mass spectrometry (GC/MS) techniques at the cut-off levels for each drug as listed below. All confirmations shall be by quantitative analysis. Concentrations that exceed the linear region of the standard curve will be documented in the laboratory records as “greater than highest standard curve value.”

Drugs	Confirmation Test Cut-Off Levels (NG/ML)
Marijuana Metabolite ¹	15
Cocaine Metabolite ²	150
Opiates:	
Morphine	300
Codeine	300
Phencyclidine	25
Amphetamines:	
Amphetamine	500
Methamphetamine	500

4. These cut-off levels are subject to change by the Mississippi State Department of Health as advances in technology or other considerations warrant.

Confirmation Test - Alcohol

5. An ethyl alcohol level of 10mg/dl found in the blood specimen of an individual shall be deemed a positive result.

VIII. Reporting Results of Test

1. The laboratory will report as negative all specimens that are negative on the initial test or negative on the confirmation test. Only specimens confirmed positive will be reported positive for a specific drug or alcohol.

2. The laboratory will report confirmation test results to the City's Medical Review Officer within an average of five (5) working days after receipt of the specimen by the laboratory. Before a test result is reported (the results of confirmation tests or quality control data) it shall be reviewed and the test certified as an accurate report by the responsible individual. The laboratory will send only to the Medical Review Officer the drug or alcohol testing results which, in the case of a report positive for drug or alcohol use, shall be signed by the individual responsible for day-to-day management of the drug testing laboratory or the individual responsible for attesting to the validity of the test reports. The report shall identify the drugs/metabolites tested for, whether positive or negative, the specimen number assigned by the employer and the drug testing laboratory specimen identification number (accession number).

¹ Delta-9-Tetrahydrocannabinol-9-Carboxylic Acid

² Benzoylecgonine

IX. Reporting to Medical Review Officer

1. A Medical Review Officer will be responsible for receiving and interpreting laboratory results of drug and alcohol tests. The Medical Review Officer will be the sole person authorized to review the results of such tests.

X. Notification to Applicants or Employees and Objections to Positive Results

1. An employee will be provided written notification of a positive confirmed test result report from the testing laboratory, the consequences of the report, and the options available to the employee within five (5) working days after the City receives the positive confirmation.

2. If an employee requests a copy of the test result report, the City will provide a copy.

3. An employee has ten (10) working days after receiving notice of a positive confirmed test result to submit information to the City explaining the test results and why the results do not violate the City's Drug and Alcohol Free Workplace Policy. If the explanation is not satisfactory, the City will place a written statement of why the explanation was unsatisfactory, along with the report of positive results, in the employee's medical and personnel records. If any information is included in or otherwise accompanies the report, such information will be placed in the employee's medical records but will not be placed in the personnel file.

4. During the ninety (90) day period following the date the results of the positive confirmed test are mailed or otherwise delivered to the City, the employee who submitted the specimen will be permitted to have a portion of the specimen retested, at the employee's expense, at a certified laboratory selected by the employee.

5. Any additional testing requested by the employee or job applicant will be paid by the employee or job applicant.

XI. Release or Disclosure of Test Results

1. Information, interviews, reports, statements, memoranda and test results, written or otherwise, received by the City through its Drug and Alcohol Free Workplace Policy are confidential communications. Any information obtained by the City pursuant to its Drug and Alcohol Free Workplace Policy is the property of the City. The confidentiality provisions contained in this Drug and Alcohol Free Workplace Policy do not apply to other information or parts of an employee's or job applicant's personnel or medical files.

2. Information related to drug and alcohol test results will not be released to any individual, other than the employee or job applicant, or City medical, supervisory or other personnel, as designated by the City on a need to know basis, unless:

a. The employee or job applicant has expressly, in writing, granted permission for the City to release such information;

b. It is necessary to introduce a positive confirmed test result into an arbitration proceeding, provided that the information is relevant to the hearing or proceeding, or the information must be disclosed to a federal or state agency or other unit of a state or the United States government as required under law, regulation or order, or disclosed in accordance with compliance requirements of a state or federal government contract, or disclosed to a drug abuse rehabilitation program for the purpose of evaluation or treatment of an employee; or

c. There is a risk to public health or safety that can be minimized or prevented by the release of such information; provided, however, that unless such a risk is immediate, a court order permitting the release shall be obtained prior to the release of the information.

3. If an employee refuses to sign a written consent form for release of information to persons as permitted under the Drug and Alcohol Free Workplace Policy or any other applicable law, the City may discipline or discharge the employee.

XII. Specimen and Records Retention by the Laboratory and Retesting

1. The laboratory will preserve positive specimens in such a manner as to insure that the specimens will be available for any necessary re-test as required by law.

2. Every specimen that produces a positive confirmed result will be preserved in a frozen state by the certified laboratory that conducts the confirmation test for a period of ninety (90) days from the time the results of the positive confirmed test are mailed or otherwise delivered to the City. During this period, the employee who has provided the specimen will be permitted by the City to have a portion of the specimen retested, at the employee's expense, at a certified laboratory chosen by the employee. The certified laboratory that has performed the test for the City shall be responsible for the transfer of the portion of the specimen to be retested, and for the integrity of the chain of custody during the transfer.

3. Because some analytes deteriorate or are lost during freezing and/or storage, quantitation for a retest is not subject to a specific cut-off requirement but must provide data sufficient to confirm the presence of the drug, alcohol or their metabolites.

4. Unless otherwise instructed by the City in writing, all records pertaining to the given urine or blood specimen or other specimen will be retained by the drug testing laboratory for a minimum of two (2) years.

5. The employee or job applicant is responsible for the payment of costs of any additional drug and alcohol tests requested by the employee or job applicant.

XIII. Employee Assistance

1. If the City maintains an employee assistance program, the City will inform employees of the benefits and services of the employee assistance program. The City will also post notice of the employee assistance program throughout its workplace and will explore other alternatives to publicize such services. The City will also provide employees with notice of the policies and procedures regarding access to and utilization of any available employee assistance program.

2. If at any time the City does not have an employee assistance program, the City will also maintain a resource file of employee assistance service providers, alcohol and other drug abuse programs, mental health providers and other persons, entities or organizations available to assist employees with personal or behavioral problems. The City will provide all employees information about the existence of the resource file and a summary of the information contained within the resource file. The City will post this information.

3. The summary may contain but is not limited to all information necessary to access the services listed in the resource file. Further, the City will also post in conspicuous places a listing of multiple employee assistance providers in the area.

XIV. Supervisor and Employee Training

1. The City will provide all employees with an education program on alcohol and other drug abuse prior to instituting its Drug and Alcohol Free Workplace Policy. Also the City will provide employees with an annual education program on alcohol and other drug abuse, in general, and its effects on the workplace, specifically. The education program will last at least one (1) hour and will include but is not limited to information on:

- a. the explanation of the disease of addiction for alcohol and other drugs;
- b. the effects and dangers of the commonly abused substances in the workplace;
- c. the dangers of drug abuse in the workplace;
- d. the City's policies and procedures regarding alcohol and other drug use or abuse in the workplace and how employees who wish to obtain substance abuse treatment can do so;
- e. the City's policy of maintaining a drug-free workplace;
- f. any available drug counseling, rehabilitation, and employee assistance programs; and
- g. the penalties that may be imposed on employees for drug abuse violations.

2. In addition to the educational program referenced above, the City will also provide all supervisory personnel a minimum of two (2) additional hours of training prior to the institution of its Drug and Alcohol Free Workplace Policy and each year thereafter which will include but is not limited to the following:

- a. recognition of evidence of employee alcohol and other drug abuse;
- b. documentation and corroboration of employee alcohol and other drug abuse;
- c. referral of alcohol and other drug abusing employees to the proper treatment provider;
- d. recognition of the benefits of referring alcohol and other drug abusing employees to treatment programs, in terms of employee health and safety and City savings; and
- e. explanation of any employee health insurance or HMO coverage for drug, alcohol or other problems.

XV. Action by the City Based on Positive Test Results or Refusal to Submit to Drug and Alcohol Testing

1. The City may not discharge, discipline, or request or require rehabilitation of an employee on the basis of a positive test result that has not been verified by a confirmatory test, except the City may temporarily suspend or transfer an employee to another position after an initial positive on-site test while awaiting confirmation.

2. The City will not discharge, discipline, discriminate against or request or require rehabilitation of an employee on the basis of any medical history information revealed to the City as a result of a drug and alcohol test, except if the employee had an affirmative obligation to provide such information before, upon, or after hire.

3. The City may discipline, up to and including discharge, an employee who has had a confirmed positive test result.

4. The City in its discretion may refer any employee who has violated the City's Drug and Alcohol Free Workplace Policy to an employee assistance program or other similar program for assessment, counseling and referral for treatment or rehabilitation as appropriate. Such treatment or rehabilitation shall be at a site certified by the Mississippi State Department of Mental Health. This option does not in any way limit the City's ability to discipline any employee for a positive confirmed test result.

5. If a job applicant refuses to submit to drug and alcohol testing, the City may refuse to hire the job applicant.

6. If an employee refuses to submit to drug and alcohol testing, the City may discipline the employee, up to and including discharge, or refer the employee to a drug abuse assessment, treatment and rehabilitation program at a site certified by the State of Mississippi Department of Mental Health.

7. Nothing in this Drug and Alcohol Free Workplace Policy affects any right of the City to terminate the employment of any person for reasons not related to the Drug and Alcohol Free Workplace Policy.

XVI. Federal Drug Free Workplace Program

1. The City provides a drug-free workplace under the provisions of the Federal Drug-Free Workplace Act. Accordingly, the City has implemented a policy prohibiting the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance in the workplace and indicating that actions which may be taken for such violations may include discipline up to and including termination from employment.

Awareness

2. The City also has established a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the City's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs, and the penalties which may be imposed upon employees for drug abuse violations.

Notice to Employees

3. Further, the City has made it a requirement that each employee as a condition of employment will be given a copy of the City's Drug and Alcohol Free Workplace Policy, setting out the items identified above as required by the Federal Drug-Free Workplace Act.

Additional Employee Obligations

4. The City has further notified each employee that as a condition of employment the employee must:

- a. abide by the terms of the City's Drug and Alcohol Free Workplace Policy and the Federal Drug-Free Workplace Act provisions, including those requirements set out above; and

Notice to Federal Government

5. The City will provide notice, including position title, to any federal government contracting agency or federal government granting agency and to every grant officer or other designee on whose grant activity the convicted employee was working, unless the federal agency has designated a central point for the receipt of such notices, within ten (10) calendar days after receiving notice by an employee or otherwise of a criminal drug statute conviction for a violation occurring in the workplace. The notice will include the identification number(s) of each affected grant.

Termination/Discipline/Assistance

6. Within thirty (30) calendar days of receiving notice of an employee's conviction for a violation of a criminal drug statute occurring in the workplace, the City will either:

- a. take appropriate personnel action against such employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
- b. require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

7. If an employee is terminated for such conviction, no further participation in drug abuse assistance or rehabilitation will be required.

8. The City will make a good faith effort to maintain a drug-free workplace program through the implementation of the terms set forth above.

The arrest of an employee - whether on or off duty - may result in corrective action. Corrective action depends upon a review of all factors involved - including whether or not the employees action was work-related, the nature and severity of the act, or any resultant circumstances that adversely affect the employees attendance and/or eroding of public confidence. Such corrective actions may include termination.

If an employee is convicted of a criminal offense while employed with the City of Southaven, he or she may be terminated and, if terminated, may be ineligible for rehire. The ultimate disposition of the issue will depend upon the nature of the offense and the employee's work duties. Appendix A

Medical Treatment

The following procedures are generally considered medical treatment. Injuries for which this type of treatment was provided or should have been provided are almost always classified as an OSHA-recordable if the injury is work-related:

- Treatment of infection
- Application of antiseptics during second or subsequent visit to medical personnel
- Treatment of second or third degree burn(s)
- Application of sutures (stitches)
- Application of butterfly adhesive dressings(s) or steri-strip(s) in lieu of sutures
- Removal of foreign bodies embedded in eye
- Removal of foreign bodies from wound; if procedure is complicated because of depth of embedment, size, or location
- Use of prescription medications (except a single dose administered on first visit for minor injury or discomfort)

- Use of hot or cold soaking therapy during second or subsequent visit to medical personnel
- Application of hot or cold compress(es) during second or subsequent visit to medical personnel
- Cutting away dead skin (surgical debridement)
- Application of heat therapy during second or subsequent visit to medical personnel
- Use of whirlpool bath therapy during second or subsequent visit to medical personnel
- Positive x-ray diagnosis (fractures, broken bones, etc.)
- Admission to a hospital or equivalent medical facility for treatment

First-Aid Treatment

The following procedures are generally considered first-aid treatment (e.g., one-time treatment and subsequent observation of minor injuries) and should not be classified as an OSHA-recordable if the work-related injury does not involve loss of consciousness, restriction of work or motion, or transfer to another job:

- Application of antiseptics during first visit to medical personnel
- Treatment of first degree burn(s)
- Application of bandage(s) during any visit to medical personnel
- Use of elastic bandage(s) during first visit to medical personnel
- Removal of foreign bodies not embedded in eye if only irrigation is required
- Removal of foreign bodies from wound; if procedure is uncomplicated, and is, for example by tweezers or other simple technique
- Use of nonprescription medications and administration of single dose of prescription medication on first visit for minor injury or discomfort
- Soaking therapy on initial visit to personnel or removal of bandages by soaking
- Application of hot or cold compress(es) during first visit to medical personnel
- Application of ointments to abrasions to prevent drying or cracking
- Application of heat therapy during first visit to medical personnel
- Negative x-ray diagnosis

- Observation of injury during visit to medical personnel

The following procedure, by itself, is not considered medical treatment:

- Administration of tetanus shot(s) or booster(s)

However, these shots are often given in conjunction with more serious injuries; consequently, injuries requiring these shots may be recordable for other reasons.

S. ABUSE OF LEAVE

While on approved leave, employees may not engage in activities that are inconsistent with the purpose of or basis for the approved leave (FMLA, major medical, etc). Where an employee acts inconsistent with the representations made to the City to obtain the approved leave, the Employee's representations and inconsistent conduct may be deemed to be a misrepresentation and fraudulent conduct. In such instances, an Employee found to have engaged in activities inconsistent with the Employee's representations to obtain approved leave may be subject to discipline, and this discipline may include actions up to and including termination of employment.

T. CITY ETHICS POLICY

It is the policy of the City of Southaven to uphold, promote and demand the highest standards of ethics and conduct from all of its employees and officials, whether elected, appointed or hired.

All City employees and members of City boards and committees shall maintain the highest standards of personal integrity, truthfulness, honesty and fairness in discharging their public duties, and never abuse their positions or powers for improper or personal gain.

Employees are expected to use good judgment and avoid situations that create an actual or perceived conflict between their personal interests and those of the organization. The City of Southaven requires that the transactions employees participate in are ethical and within the law, both in letter and in spirit.

1. Public Service is a Public Trust, requiring City of Southaven employees and officials to place loyalty to the constitution of the United States and the Mississippi Constitution, federal and state laws and ethical principles above private gain for themselves or others.
2. Employees and officials shall not hold financial interests that conflict with their conscientious performance of public duty.

3. Employees shall not engage in financial transactions using non-public official information or allow the improper use of such information to further any private interest or private gain.
4. Employees shall not, except as otherwise permitted by ordinance or express City of Southaven policy, solicit or accept any gift, service, or favor valued over \$100 from any person or entity seeking official action from, doing business with, or conducting activities regulated by the City, or whose interests may be affected by the performance or nonperformance of the employee's or official's public duties. Procurement employees are prohibited from accepting any gifts, services, or favors regardless of value. A "procurement" employee is anyone who has the authority to approve purchases over \$1500. Gifts between employees in recognition of a special event (such as birthday, holiday, or anniversary of service, etc.) are permitted if the value of the gift is of nominal and reasonable value and is unsolicited by the receiver of the gift. "Gift" is defined as compensation, objects or services of value such as a meal or a service performed for an employee such as home maintenance or lawn care.
5. Employees shall never discriminate unfairly by the dispensing of special favors or privileges to anyone, whether for remuneration or not; and never accept favors or benefits under circumstances which might be construed as influencing the performance of their public duties.
6. Employees shall put forth honest effort in the performance of their public duties, remaining impartial and responsible to the public.
7. Employees shall make no promises of any kind (beyond those which the City has officially authorized them to make) binding upon the duties of their office, since an employee or official has no private word which can be binding on public duty.
8. Employees shall protect and conserve City property and services, and shall not use them for other than authorized purposes or for personal benefit or gain.
9. Employees shall seek to find and employ efficient and economical ways of accomplishing their public duties, and shall disclose waste, fraud, abuse, discrimination or harassment (sexual or otherwise) and corruption to appropriate authorities.
10. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent *Conflict of Interest*. Such a *Conflict of Interest* would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non- federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, non-federal entities may set standards for situations in which the

financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-federal entity.

Employees are encouraged to seek assistance from their managers with any legal or ethical concerns. However, this may not always be possible. As a result, employees may contact the Human Resources Dept. or the City Attorney's Office to report anything that they cannot discuss with their manager. Employees found in violation of this policy may be subject to disciplinary actions up to and including termination of employment.

Amended October 1, 2019, November 5 2019

SECTION 4 DISCIPLINARY ACTION

The Mayor and Board of Alderman require that all forms of discipline and corrective action adhere with due process. Supervisory employees and/or Department Heads shall exercise corrective action when an employee violates established rules of appropriate conduct or is in violation of this handbook. Such corrective action shall be in accordance with the policies and procedures established herein. Distinguishes may be made by supervisory personnel and/or Department head employees between more serious and less serious actions of misconduct and provide corrective action accordingly.

Nothing in this handbook should be construed as a guarantee of continued employment. Your employment may be terminated at any time, for any reason, with or without cause, with no advance prior notice. Likewise, you may terminate your employment at any time for any reason without prior notice.

A. DISCIPLINARY ACTION

The Department head or designated representative shall take action to formally discipline an employee who is guilty of an offense. The Mayor and City Administrator/CAO may also issue disciplinary actions and/or take other corrective measures as necessary without prior action by the department head or designee.

In extraordinary circumstances, the employee may be placed on immediate suspension with pay pending a hearing on the matter. Any employee placed on suspension without pay may be eligible for restitution pending the outcome of said hearing.

The Department head, or supervisory employee, shall maintain a written record of the disciplinary action he or she takes. Such written documentation shall be turned into the Department of Finance and Administration prior to corrective action being enforced.

The governing authority or a designated representative may attempt to correct unacceptable behavior by issuing a verbal warning and/or counseling and/or other appropriate informal means, whenever practical, prior to taking formal action against an employee. The governing authority or a designated employee shall maintain a written record of such verbal warning or other informal action taken.

B. BOARD OF ALDERMAN ACTION

Pursuant to the relevant laws of the State of Mississippi, the Southaven Board of Alderman shall be responsible for all terminations of employment of City employees. Department heads may provide recommendations of an employee's termination to the Board of Aldermen; however, it is the singular responsibility of the Board of Alderman to enact a termination of employment. Personnel decisions made by the Board of Alderman are final. Any appeal of an action taken by the Board of Aldermen would be made via the filing of a bill of exceptions, pursuant to [Mississippi Code Annotated Section 11-51-75](#).

If the employee does not advance the grievance to the next step within the specified time frame, the last management decision stands.

If management does not react within the specified time frame, the employee may advance the grievance to the next level unless an extension of time is granted to management to respond by written mutual agreement.

All time limits may be extended by mutual written agreement.

It is the responsibility of the aggrieved employee's supervisor and/or Department Head to make certain that all grievances are handled as quickly as possible and without prejudice.

F. GRIEVANCE PROCEDURAL STEPS

Step I

A. An employee who has a grievable complaint arising from an action or inaction subject to the control of management must identify the grievance in writing with his or her department head within three (3) working days of becoming aware of the cause of the complaint. The written statement of the grievance should contain the name, address, and telephone number of the individual or authorized representative filing the grievance; the name of the employee, identity of the Department; the date; a brief and specific description of the situation, incident, or condition being grieved and reasons therefore; identity of witnesses, if any; the remedy or relief the

individual is seeking and the signature of the individual filing the grievance and properly dated by this individual.

B. The department head will have three (3) working days from the date of receiving the grievance statement to inform the employee, in writing, of his or her answer. The department head shall write a memorandum for record and have the aggrieved employee sign it.

Step II

A. If not satisfied with the Step I written decision, the employee may indicate the desire to have the grievance advanced to the next step. The grievance must be submitted to the City Administrator/CAO within three (3) working days following receipt of the Step I department head's response.

B. The City Administrator/CAO or his designee and or the Human Resource staff is required to conduct an investigation of the grievance and may meet with the aggrieved employee within three (3) working days after receipt of the grievance form. The meeting, if necessary, will be informal.

C. City Administrator/CAO or his designee is required to give the employee a written response within three (3) working days after this informal interview detailing his decision.

Step III

A. If the second step written response is not acceptable to the employee, the employee may specify in writing the desire to advance the grievance to the third step. To do so the employee must forward the grievance to the Office of the Mayor within three (3) working days after receipt of the City Administrator/CAO response in Step II.

B. The Mayor and Board of Alderman may conduct a hearing into the grievance and shall make a decision as to such cause. No alternative disciplinary actions shall be considered upon the convening of the hearing of the Mayor and Board of Alderman. The Board's decision shall be final.

Certain steps may be waived at the Mayors discretion in order to proceed to Step III of the grievance procedure.

G. SPECIAL GRIEVANCE PROCEDURE FOR SEXUAL HARASSMENT AND WORKPLACE HARASSMENT

Any applicant, probationary department employee, permanent department employee, or non-department employee alleging sexual workplace harassment, including harassment based upon sex, color, creed, religion, national origin, immigrant or non-immigrant status, age, disability, uniformed service status or veteran status, may:

1. File a grievance with their supervisor in accordance with the standard Grievance Procedural Steps.
2. If the source of the harassment is the employee's supervisor, the employee may skip a level of management by proceeding to Step Two and filing the grievance directly with the City Administrator/CAO; OR
3. File the grievance with the Mayor and Board of Alderman.

Regardless of outcome, all grievances alleging sexual harassment shall be forwarded to the governing authority. There will be no retaliation for filing a grievance for workplace harassment. Any grievance will be investigated. While the City will attempt to maintain the confidentiality of the grievant to the extent possible, some disclosure will have to be made as part of the investigation. If any sexual or workplace harassment is determined to have occurred, prompt remedial action will be taken to remedy such conduct.

H. SPECIAL AMERICANS WITH DISABILITIES ACT (ADA) GRIEVANCE PROCEDURE

1. Any applicant for an employment position or employee who has reason to believe that they have been unlawfully discriminated against by a Department on the basis of disability may file a grievance in accordance with this Grievance Procedure. Implementation of this Grievance Procedure is not intended to prohibit an applicant or Department employee from utilizing the existing grievance procedures. Grievants are not required to exhaust this Special ADA Grievance Procedure prior to filing a complaint with an applicable federal Department.
2. The Grievance Procedure begins with the individual who is filing the grievance, by preparing and submitting a written statement. The statement should contain the name, address, and telephone number of the individual or authorized representative filing the complaint; a brief and specific description of the situation, incident, or condition being grieved and reasons therefore; identity of the grievant; identity of witnesses, if any; the remedy the individual is seeking; and the signature of the individual filing the grievance properly dated by this individual.
3. The grievance should be submitted to the City Administrator/CAO within seven (7) workdays after the alleged violation occurred.
4. The City Administrator/CAO will have three (3) workdays to provide to the grievant a written acknowledgement of the grievance.
5. The City Administrator/CAO will promptly conduct a review of the issues involved in the grievance to ascertain whether or not an informal resolution of the grievance can be achieved. If an informal resolution is possible and mutually agreeable by the parties involved, the City Administrator/CAO will facilitate arrangement of the resolution and make a record of this agreement. If no informal resolution is possible, the City Administrator/CAO will conduct an investigation of the grievance and provide a written response to the grievant outlining possible accommodations, if any, for resolution of the grievance. This response shall be approved by the

Mayor and must be completed no later than fifteen (15) workdays from the Department's receipt of the grievance.

6. If a grievance is not presented within the time lines as set forth hereinabove, it will be considered waived absent an extension by written mutual consent. If the City Administrator/CAO does not answer or acknowledge receipt of the grievance within the specified time lines, the grievant may elect to treat the grievance as denied at that point and immediately appeal the grievance to the Board of Alderman unless an extension of time is granted to the City Administrator/CAO to respond by written mutual agreement.
