

Adopt - A - Spot Program Guidelines

Thank you for recognizing the need and the desirability for making Southaven a more attractive place to live.

The Adopt-A-Spot program has been established for individuals, community and civic organizations, as well as private businesses & industry to contribute toward the effort of maintaining common areas in the city that are considered private property.

Please email Kristi Faulkner at kfaulkner@southaven.org with any questions.

Program Details:

- One year commitment
- Trim bushes, weed-eat in and around flowerbeds every other week during the growing season.
- Adding mulch, flowers, painting, replacing rotten wood and power washing is not required but would very much be appreciated.
- Please park all vehicles clear of the roadway and on the same side of the street where you are working.
- Please work only during daytime hours.
- Children under the age of 18 must be accompanied by an adult.
- Debris can be stacked at the street for pickup by the City.
